What is Fast CAT?

Fast CAT is open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the Foundation Stock Service (FSS) program, dogs granted a Purebred Alternative Listing (PAL) number, dogs with AKC Limited or Conditional Registration, or dogs enrolled in the AKC Canine Partners program. If you do not have a Canine Partner number, an application can be completed at the event. Dogs with breed disqualifications and monorchid/cryptorchid dogs are eligible to participate. Females in season may not enter. A dog may enter only once per event. An event is defined by an event number.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, a dog chases a lure. Dogs run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100-yard dash is converted into MPH.

A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is applied to a dog's MPH to determine the number of points earned.

Greater than 18"=Handicap is 1.0; 12" to under 18"=Handicap is 1.5;

Below 12"=handicap is 2.0.

Dog's Time divided by 204.545=MPH; MPH x Handicap=Points

Titles are earned by accumulating points. The following titles will be awarded:

BCAT=150 points
DCAT=500 points
FCAT=1000 points
FCAT2, etc=every additional 500 points

Each dog that passes the test will receive a ribbon that is light blue in color.

Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed. RUNNING THE COURSE

Each dog runs by itself and only one time in each testing event. They chase lures made of plastic strips in a straight race of 100 yards. Dogs may start a MAXIMUM of 10 feet behind the start line.

CONDITIONS FOR ENTRY

- ◆ Each dog requires an individual entry form for the event in which it is entered. Entries will not be accepted without fees, signatures, or the “Agreement” found on the Official AKC Entry Form.
- ◆ Each dog entry will be inspected for lameness, fitness to compete and females in season. If in the opinion of the inspection committee, any entry found to be lame, unfit to safely compete or a female in season, that dog shall not be allowed to enter and entry fees shall be refunded.
- ◆ Mixed breeds must be spayed or neutered to be eligible to run. If you do not have a Canine Partner number, an application can be completed at the event. AKC registered dogs with breed disqualifications may be entered.
- ◆ A Break Beam electric timing system will be used at the start and the finish. The lure will consist of plastic bags. A gas or battery powered lure machine running continuous loop will be used, which means a continuous line passes through the course and the catch pen and then loops back to the start line on the outside of the fenced area. Only the Lure Operator, Huntmaster, and Handlers of the hounds running in the course in progress will be permitted near the lure machine.
- ◆ The Huntmaster is responsible for field safety and therefore he is in complete charge of all dogs and handlers on the field. In service to this responsibility, he has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve the testing dog. The handler should retrieve their dog promptly at the end of the course.
- ◆ Persons exhibiting conduct detrimental to the AKC/any dog(s)/other person(s) will be asked to leave the test site and may be disciplined by the AKC. All AKC

rules regarding sportsmanship and conduct apply.

- ◆ A person found to not pick up after their dog will be assessed a \$5.00 fine.
- ◆ A \$5.00 fine may be assessed on the owner or handler of any dog loose on the field but not competing in the course progress. Dogs that delay the event because they cannot be recalled may be refused entry at future events.
- ◆ A minimum \$30.00 fee for returned checks.
- ◆ Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of parasites, any communicable diseases and have the appropriate vaccines.
- ◆ No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.
- ◆ The event-hosting club, its agents, members, representatives, and volunteers assume no liability or responsibility for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators before, during, or after this event.
- ◆ The members of the Richland County Kennel Club, reserve the right to alter the course plan as required by weather and/or field conditions on the day of the test.

- ◆ All dogs must be presented for inspection without tape, bandages, wrapping, or coverings of any kind (e.g. coats and blankets), and may be measured with a wicket to determine height at the withers.
- ◆ Owners may use clips or rubber bands to hold the dog's hair. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.
- ◆ At least two persons from the Test Committee will inspect each entered dog for lameness, fitness to compete, and female estrus (in season). In their opinion, any entered dog that is found to be lame, unfit to compete, or in season will not be allowed to run. The entry fee will be refunded for any dog that is not allowed to run by the inspectors.
- ◆ Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are old, have breathing or heart problems, are overweight, or are out of condition may be at a greater risk for injury and exhaustion.
- ◆ Roll Call and inspection will run continuously for the period of time listed.

- ◆ Dogs will be brought to the start line on leash and released only upon a verbal signal “Tally-Ho” from the Huntmaster. Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead.
- ◆ Absolutely No toys or treats may be used to encourage your dog before it crosses the finish line but can be used after the dog has crossed the finish line to assist in catching the dog. No whistles or other noise devices, such as duck calls, may be used. Cheering, clapping, calling your dog's name, whistling and/or waving your arms from the end of the course or the start is allowed.
- ◆ Should a situation arise where the application of this Regulation is open for interpretation, the event committee shall decide how it will be handled and an explanation shall be submitted to AKC along with the event results.
- ◆ **Handler's are NOT allowed to run down the 100-yard course with the dog during its official run. This includes BOTH inside and outside the fence. Handlers must simply release the dog.**
