

Indian Lake Improvement Association Beach Rules

Updated 4/24/2022

Thank you for keeping the lake lot clean by taking all trash with you!

Beach Lot Rules

By and large, the biggest concern of our members is regulating access to the beach lot. We ask that all members help to police the beach lot ourselves. If you see someone violating the beach rules, leaving the gate open, launching a boat that they shouldn't, we ask that you speak up and put a stop to their behavior.

- The Association beach property is for the exclusive use of members and their guests.
- Please close & lock the gate behind you.
- A current membership letter is required for entry. (gate combination in letter)
- Beach hours are from sunrise to sunset.
- No automobile traffic is allowed in the beach lot from December 1 until April 1. ATVs, UTVs, snowmobiles and other recreational vehicles are not considered automobiles for the purpose of accessing the beach lot during winter months.
- NO LIFEGUARD is on duty at any time, so children must be supervised.
