

MATHOGGLE MONDAY!!

is Mathtastic!!!!

Directions: Please list the math sentences you created. Numbers used must be adjacent or diagonal from the previous number. You can only use a number ONCE in each sentence. You must have 3 or more numbers to create a Mathoggle. Use two or more different operations. Have FUN mathogglng!!!! Love, Mrs. Thomas

MATHOGGLE target number is _____

1. _____

15	3	9	18
5	14	6	2
7	12	24	20
10	70	60	4

2. _____

3. _____

4. _____

5. _____

For 6-9 please use two or more numbers that touch to equal another number that touches. Try to use **each** operation. $18 + 2 = 20$ or $3 \times 6 = 18$ or $6+3=9$ or $18/2=9$

For 10, try to use as many numbers and operations as you can!!

6. _____ 7. _____ 8. _____

9. _____ 10. _____
