

Four To Score...Or MORE!!!

Player _____

Score _____

Directions: Number your spinner. If possible each player should use a different color marker. Each player spins their spinner and completes the problem. If you spin a number that has been completed, choose the next number closest to the spinner. Put your initials in the space and circle your answer. The first person to get four adjacent wins. Keep playing until all spaces have initials. There is MORE than one way to win. The scores are your answers. Find the sum and put each persons' score next to their name. Ask your teacher the other way to win!
