

# Shop Til You Drop Scavenger Hunt

Name \_\_\_\_\_

Ready for some mathlicious shopping?!! You have 1500.00 to spend!! Look through the ads to find items you like AND that represent each situation. Cut out the item AND the PRICE!! Glue or tape the item to the construction paper. Please label it the appropriate number. ALL SALES TAX is 9%. Please write the item or items you are purchasing under each problem. Write a check for each of the total costs. Deduct each check amount from your register. Tape or glue it to the construction paper next to the item(s).

1. Find TWO DIFFERENT items that cost the same. Compute the sum. Figure the sales tax and total cost.

Sum \_\_\_\_\_ Amount of Tax \_\_\_\_\_ Total Cost \_\_\_\_\_

Item(s) \_\_\_\_\_

2. Find 3 items that together cost less than \$150.00. Compute the sum. Figure the sales tax and total cost.

Sum \_\_\_\_\_ Amount of Tax \_\_\_\_\_ Total Cost \_\_\_\_\_

Items \_\_\_\_\_

3. Find two items that the difference in price is \$10.00. Compute the sum. Figure the sales tax and total cost.

\_\_\_\_\_ is someone Mrs. Thomas is thankful for!!!!

- Check Register **PLEASE FOLLOW THESE STEPS AFTER YOU WRITE EACH CHECK!!!**
- Write the check number under **check number**.
- Write the store you wrote the check to under **store**.
- Write the amount of the check under **amount**.
- Put the **balance** in your calculator **THEN subtract** the **amount**.
- This number will be your new balance. Write this under **balance**. This will help you keep track of how much money you have left to spend. Remember, you can't spend more than \$1500.00. The last number you have written under balance is the amount you have left to spend.
