

# CORPORATE CORNHOLE EVENTS

Let Hotlanta Cornhole help bond your team in friendly competition, connect employees, and create a healthy, vibrant company culture.

*we*

Provide all equipment, prizes & technology, set up, teach the game, run the event, guarantee fun, break down.

*you*

Provide the people and the space, sit back and watch the fun unfold.

You will not regret this.

## ABOUT US

We love the game so we turned it into our job! Caleb and I grew up in the Fayette/Coweta area where we still live with our son and pitbul. Other than Cornhole, Caleb works for Delta and I am a wedding photographer/event planner. We love to travel, compete and cheer on the Braves.
