ARTICLE III GRIEVANCE PROCEDURE

- 3-1 A grievance is a disagreement between an individual, or the Association, and the employer concerning interpretation, application, or enforcement of the terms of this agreement.
- 3-2 For the purpose of this article, a "working day" is defined as any calendar day that the school offices are open for business.

3-3 If a grievance exists, the following steps shall be taken to resolve the grievance:

The parties acknowledge that it is usually most desirable for a support employee and the immediately involved supervisor to resolve problems through free and informal communications. Accordingly, any grievance may first be discussed with the aggrieved party's immediate supervisor, with the objective of resolving the matter informally.

Informal Step: Within eight (8) working days of the occurrence, or knowledge of the act or condition which is the basis of the complaint, the grievant and the Association must discuss the concern with his/her immediate supervisor with the objective of solving the matter. If a disagreement remains, the grievant and the Association may elect to advance to Step One (1).

Step 1 - School Principal-Immediate Supervisor

If the aggrieved party is not satisfied with the disposition of the grievance at the informal step meeting, the party may file a written grievance to the aggrieved party's immediate supervisor within ten (10) working days. The immediate supervisor will meet the grievant and their representative within ten (10) working days and respond to the grievance, in writing, within five (5) working days after the Step 1 meeting.

Step 2 - Superintendent of Schools

If the aggrieved party is not satisfied with the disposition of its grievance at step 1, the party may file the written grievance with the Superintendent within (5) working days. The Superintendent or a designee will meet with the aggrieved party, the Principal or immediate appropriate supervisor, or both, in an effort to resolve the grievance. Such a meeting will take place within five (5) working days after receipt of the grievance by the Superintendent. The Superintendent shall, within five (5) working days after this meeting render a decision, in writing, to the aggrieved party.

Step 3 -Grievance Mediation

If the aggrieved party is not satisfied with the disposition of the grievance in Step 2, then the aggrieved party may present the grievance to Mediation within five (5) working days after receiving the Superintendent's response in Step 2.

Procedure for Grievance Mediation:

1. The Superintendent must respond to a Grievance request for Mediation within five (5) working days.
2. The Mediator will be obtained from the Federal Mediation and Conciliation Service.
3. Both parties agree to comply with the rules and procedures of the Federal Mediation and Conciliation Service.
4. The Mediator shall confer with the Superintendent or his Designee and the Organization, and hold a hearing within thirty (30) working days or less.

5. If no solution is reached to the satisfaction of both parties, the Grievance and all information in Steps 1 and 2 shall be moved to Step 4.

Step 4 - Binding Arbitration

If the aggrieved party is not satisfied with the disposition of the grievance in Step 3, then the aggrieved party may present the grievance to binding arbitration within five (5) working days after the Trustees respond.

Within five (5) working days after written notice of submission to arbitration, the Superintendent and the aggrieved party will agree upon a mutually acceptable arbitrator who is experienced, impartial, disinterested and of recognized competence. If, within five (5) working days, the parties are unable to agree upon an arbitrator, a request for a list of seven (7) arbitrators will be made to the Federal Mediation and Conciliation Service by either party.

Within five (5) working days after receipt of the list from the Federal Mediation and Conciliation Service, the parties will select an arbitrator from the list by alternately striking one name until the name of one arbitrator remains who will be the one to hear the dispute in question.

The arbitrator so selected shall confer with the Superintendent and the Association and hold hearings promptly and shall issue, to the Trustees and the Association, his/her decision, along with reasoning and recommendations, not later than twenty (20) calendar days from the date of the close of the hearings or, if oral hearings have been waived, from the date the final statement and proofs are submitted to him/her.

The arbitrator will consider the grievance and render a decision which will be final and binding upon the parties.

3-4 Arbitration Costs

The costs of all arbitration shall be borne as follows:

- a. The expenses, wages, and other compensations of any witness called before the arbitrator shall be borne by the party calling such witness. Other expenses incurred, such as professional services, consultations, preparation of briefs and data to be presented to the arbitrator shall be borne separately by the respective parties.

- c. When it is necessary for the Association to investigate a formal grievance or to attend a meeting or hearing held in connection therewith, upon request to the immediate supervisor, the grievant and one (1) Association representative will be released from normal duties, without loss of pay, in order to do so.

The warning is administered by the employee's immediate supervisor. It states the nature of the offense and specifies any future disciplinary action which will be taken against the employee if the offense is repeated within a specified time limit. A copy of the written warning is placed in the employee's personal file, but it is destroyed twelve (12) months following the date on which it was given if the intervening service has been satisfactory. - 18-3 A voluntary transfer is initiated by the employee.
- 18-4 An involuntary transfer is initiated by the District.
- 18-5 Involuntary transfers may be initiated due to decline in enrollment, the closing of a school, a change in formula allocation, a change in program, or any other condition that would require reducing the number of education support employee assigned to a school, work location, or to a program within a school.
- 18-6 For purposes of involuntary transfers, Seniority shall be based on the amount of working time spent in Lincoln County School District, as long as the employee meets the qualifications of the job. The employee at the work site with the least seniority in the job classification to be affected will be identified for involuntary transfer.
- 18-7 A non-returning position is defined as a job classification at a particular site or within a particular program that must be authorized each school year. Education support employees shall not be transferred because of the transfer of an administrator or supervisor unless the transfer is voluntary and unless the transfer is to a vacant position.
- 18-8 No transfer shall be initiated or imposed for disciplinary reasons.
- 18-9 No reduction shall take place in the hourly rate of pay of an education support employee upon an involuntary transfer. Disciplinary actions may affect pay, but not reduce the hourly rate of pay.

An employee involuntarily transferring into a position that is paid less than the employee's current hourly rate of pay will remain at the same rate of pay until the employee's new hourly rate of pay increases in their new position.

- 18-10 An employee may initiate a voluntary transfer request by contacting the appropriate administrator where the posted vacancy exists.
- 18-11 A request for voluntary transfer will be acknowledged and given consideration before applications when a vacancy exists-as long as the employee has the qualifications and experience in that job classification. Placement on the salary matrix will be determined by the following guidelines:
1. Start at step one of the new classification plus verified experience credit of up to five years in that specific classification.
 2. Start at the step on the new classification column which gives an equal or greater hourly rate as they would get in the coming year on the previous classification.
 3. Stay at the current level until the number of years catch up to the current salary. (Like administrators).
- 18-12 In the event it is necessary to involuntarily transfer an employee the following procedure shall be used:
- a. The appropriate administrator shall review the needs of the school, department, or program.
 - b. The employee with the least seniority as defined in Article 18-7 will be transferred.
 - c. In the event that there is no vacancy available, the provisions of Article 19, Reduction in Force, will apply.
- 18-13 A temporary employee may be hired and assigned to any work location for up to thirty (30) days in response to temporary requirements for work.

The District agrees to notify and consult with the Association when a RIF becomes imminent and will make available to the Association all relevant information upon request.
- 19-2 Subject to the determinations set forth in 19-1 above, the School District agrees to the following:
- a. Attrition by resignation and retirement shall be utilized as the first step of staff

reduction within each affected job classification. An incentive for retirement may be used with mutual agreement of the School District and the Association.

- b. Any additional reductions will be determined by the District's administration. They shall determine the area, subject, or programs that will lose positions. A seniority system will be used in determining further reductions of personnel.
-
- 19-3 For the purpose of implementing a reduction in force of current employed school support employees, the District shall by seniority with each job classification where reduction will occur, reduce the school support employee with the least seniority first.
 - 19-4 Seniority shall be based on the amount of working time spent in Lincoln County School District. Before a support worker is released due to reduction in staff, he/she shall be given an opportunity to transfer to another position in the same classification(s) that a RIF is occurring in which he/she has seniority.
 - 19-5 Seniority begins on the first paid day of work. In the event two or more support employees have the same seniority in the same job classification, the tie breaker shall be done by: (1) making any support employee with seniority in any other classification the most senior over newly hired employees; and (2) drawing of lots no later than thirty (30) calendar days after they begin working.
 - 19-6 The School District will provide the Association with an accurate Seniority List no later than November 1st of each school year unless otherwise mutually agreed upon by the LCASP President and the LCSD Superintendent.
 - 19-7 Released support employees shall be placed on a Recall List that shall be established by seniority. Each school support employee placed on the Recall List shall be reinstated to new or vacant positions within job classifications in which they have seniority proceeding with the most senior through the least senior. Recall rights shall remain in effect one (1) school calendar year. The School District shall notify support employees placed on leave of absence of subsequent vacancies by mail to the last address registered by the support employee with the School District personnel office.
 - 19-8 The support employee must respond to the School District office within 10 working days of their desire to be re-employed, If the School District is not notified that support employee's name will be removed from the Recall List and no further offers will be made.
 - 19-9 Current or RIF'd employees of the bargaining unit will not be replaced by subcontract employees.
