We strive to advocate for the rights and well-being of our association members, the Classified School Employees and the Public Workers.

Our goal is to ensure competitive compensation, fair working conditions and provide quality public services through collective bargaining for our members and build strong long lasting community partnerships.

We see a future where every member is valued, compensated, and confident their skills are valued in strengthening a high-quality workforce.

MEMBERSHIP

As an association member you will receive support and benefits of a stronger workforce. The Association is a chapter of the Nevada Classified School Employees and Public Workers Association (NCSEAPWA) and they lobby at the state legislative level to keep our work environments fair and safe.

- ◇ Our local chapter directly negotiates the employment contract.
- ◇ Our goal as an Association Chapter is to increase pay, obtain better benefits, worker protections and provide a safe working environment for all.
- ◇ Upon completion of your probationary period, you have the backing of our chapter as well as the power of our full membership behind you.

- ◇ If needed, the Association's Legal Representative will be called in for any situation that cannot be handled by our local chapter or the State Board at no cost to you.
- ◇ Dues are paid to the Association via payroll deduction.
- ◇ As an Association member, you will have a voice. Not only will you be individually heard, but you will also be a part of a powerful, collective voice.
