BLANC DU BOIS **9/28**

Think Sauvignon Blanc! A dry, fruity white wine. Featuring heavy aromas of cantaloupe, peach and banana with tasting notes of grapefruit, lemon zest, and green apple. The medium-high acidity lingers on the palette for a long, crisp finish.

Classic chardonnay boasting aromas of honeysuckle, lime zest, vanilla, and caramel. Subtle tastes and complex layers of oak, butter, lemon, citrus, and pear.

SAUVIGNON BLANC **9/28**

LENOIR **9/28**

The grape that started it all! One of our first varietals grown, this red wine presents tart cherry notes and a nice light oak finish. Easy to drink on a hot Georgia afternoon!

W.O.W. (WINE OF WINES) **10/30**

Using a Teroldego varietal grown for us in the Lodi region of California, this grape is relatively new to the U.S. For hundreds of years this grape was only found in Northern Italy where it was an icon of the Trentino wine region. This dry red wine is bright with mild tannins and lush notes of pomegranate balanced by a light peppery finish.

PETITE SIRAH **10/30**

Loved for its extraordinary deep color, this full-bodied wine carries rich flavors of blueberry, chocolate, plum, and black pepper. Despite its popularity, Petit Sirah is an exceptionally rare grape with less than 10,000 planted acres worldwide, growing mainly in California.
