## ABOUT US

Our mission is to inspire and enable dreams through innovative training and problem-solving one relationship, one client, one idea at a time.

Our vision is to serve as the missing link for organizational capacity building, community mobilization, and servant leadership, which improves the quality of life.

Our core value include: innovation, empathy, stewardship, diversity, leadership, fun, and excellence.

Our skilled team of experts include over 100 years of experience in education, training, and project management. Unboxed was founded in 2010 when a need arose to assist businesses and organizations with strategic planning, project management, and innovative solutions for organizations. Our approach is more than just thinking “outside of the box,” but also “unboxing” current challenges to determine the best possible solution.

**Plus, brainstorming and idea consultations are always FREE!**
