Membership

Membership is something we work hard on every year. In the past we have tried many things, but the best way to get new members, is for our own members to tell others about our amazing Club. If you could share the posts we put on Facebook or on your pages that would be a great help. We will also have pamphlets to hand out to school friends etc. We also have an information Pack that we can send out via email or post. We have also made our Pre-Schooler Classes Free in 2023 and added a Ladies class for beginners. If you have 3 or more Family Members attending our classes the youngest child will receive their class fees free !!!!

Fundraising is an important part of our Club and we are always happy to hear any of your ideas. Our thanks to Tracy Dyer for organising our first Fundraiser Billy G's Cookie Dough. Order forms will be available to pick up at class from Monday 6th February and all orders must be in by Tuesday 28th February, so we can have the orders back before we finish Term 1. What a YUMMY !!!!!! Way to start the year

Throughout the year as a club, we also try to support many causes to help with awareness and also fundraising for their organisations. In March, **Team Speersy** will be joining the Cancer Council March Charge. If you would like to take part, please click on the link below. Let's see how much we can raise and get fit at the same time.
