

Merry Christmas

To our Wonderful Speers Point Physie Family

Our Physie Year has come to an end and what a great year we have had. We had 116 Registered Members and had 15 Teams compete at Homesbush. We are so proud of everyone who competed in either individual or team competitions. We also thank all the Parents and Carers for their support of not only the girls but our teachers and the Club. We had 2 new teachers join our team this year Becc Corless and Karin Skourmbourdis. This has been a great help to Donna & Allana along with Zoe, Ava, Bonnie and Aria helping with the classes.

2026 will be a very exciting year as we will celebrate our 60th Birthday. We have many things planned and look forward to celebrating with all of you. Just a reminder if anyone has Active or Creative Kids Vouchers to claim, send them through and we can take them off 2026 Fees. We also offer payment plans to everyone, so if you would like to start paying off your fees we are happy to set up a payment plan for you. We will be having Stretch and Strength classes during the holidays, so keep an eye out on your pages for the dates.

Classes will resume on Monday 9th February, 2026 the class timetable and fees are on the Website: www.speerspointphysie.com

Congratulations to our Earlybird Registration Winners: Juniors - Isabelle Wallace Seniors - Abbey Morgan Ladies - Gaye Linhart

BJP also have an Earlybird Registration of \$109 must pay by 14th March, 2026.

Wishing everyone a Merry Christmas
& Best Wishes for the New Year
Morsy, Donna, Allana, Becc, Rinni, Alex
Zoe, Ava, Bonnie & Aria
