

Newsletter 2

18th August, 2025

What an amazing couple of weeks we have had with our Interclub and also our amazing weekend in Goulburn. The results have shown how hard everyone has worked and what amazing teachers we have. I would like to sincerely thank everyone who donated either time, goods to sell and monetary donations. We have the most generous and supportive members and we are extremely grateful to you all. To those who travelled to Goulburn and joined in the fun down there, we thank you all as well, especially everyone who helped out with food and packing up.

A weekend we will remember always.

We are now in Term 3 and Invoices have been sent out for fees for the remainder of the year. If you have any queries please let Morsy know. Payment details are below.

Bank Details are:

BSB - 062 802

Account No: 00902195

Name: Speers Point Physical Culture Club

Please use your name/child's name as reference

Uniforms

We will be starting competitions in the coming weeks and everyone will need to wear their uniform to competitions. You will at least need to have a Club shirt. We would love to see our supporters get on board as well. If you are needing to purchase Uniforms, please contact Morsy.

You should all know your work now and should be making any corrections teachers have given you. Class attendance is extremely important along with extra practice at home. After zone competitions, the focus will be on teams. Donna will be sending out information for teams accommodation. We will try to make this as affordable as possible and will be subsidising a portion of the accommodation costs.

To all our amazing Dads, Pops, Uncles and Carers we hope you have a wonderful Father's Day

Morsy - 0403297750
