PROPER PITCH

THE NEW HOME OF PROPER PITCH

As a family-owned and operated business with over 60 years of combined experience in the sporting goods industry, Trigon Sports provides high-quality sports equipment for high school, collegiate, and professional programs. Our goal was not to change the sporting goods industry, but simply make it better. Even as our reputation for providing quality sports equipment grew, our reputation for great customer service grew faster.

Through our trademarked brand of sports equipment, ProCage™ and Practice Partner®, we have expanded our product line from baseball and softball, to football, lacrosse, soccer, and more. Our business model is simple: Focus on the customer, provide them with high quality sports equipment, and perhaps most important, love what we do. Here at TSI, we love what we do, and it shows from the moment you call us. We are proud to serve our loyal customers, and even more proud that we help them **"Make Winning Possible®"**.

We want to say thank you to all of our local team dealers, team catalog sales reps and loyal customers who use our products every day!

We appreciate you choosing Trigon Sports and we look forward to the opportunity to continue to build relationships with you in the years to come.

It is our pleasure to serve around the globe and help

PRACTICE PARTNER

PRACTICE PARTNER®

FROM THE FIELD TO THE BACKYARD.

Practice Partner was founded in 1982 by Joseph Rajacich, a father of two little league ballplayers, who saw the need for a better way to practice at home. Under the leadership of Rajacich's sons, Alex and Andrew, the Practice Partner group of products expanded into a full line of team sports training aids.

Trigon Sports acquired the Practice Partner name and product line in 2021. The acquisition of Practice Partner allows Trigon Sports the ability to offer quality practice equipment to athletes at all levels of play.

HALO KITS

Turf halo kits are used on baseball and softball fields, to outline the area behind home-plate. A top-of-the-line protective halo kit will keep this area from being worn out from foot traffic and save money on grass maintenance. Halo kits are also an interesting way to display logos, team or event names, sponsors or memorials.

FEATURES:

- High-grade, spike resistant durable turf
- Designed to fit 36' diameter home plate areas
- Available in 5' or 10' widths and come with unitary (without shock pads) or 5mm foam backing for shock absorption.
- Extension wings available in 5' or 10' lengths.
- Available in standard green or a variety of other colors.
- All custom artwork is inlaid with colored turf.

Halos require a concrete or asphalt slab that should cure for no less than 2 weeks prior to installation

EXTREME SCREEN

ExtremeScreen®80 has been proven to drastically reduce wind maintenance while staying securely attached to your fence. The first ever patented windscreen design is ideal for baseball fields, athletic facilities, and other applications that experience high winds and the damage they can cause. This premium wind-resistant privacy screen consistently delivers unmatched durability and performance.

The First Ever Patented Windscreen

Our customizable wind-resistant privacy screen is also fade-resistant, tough, and visually appealing. At the core of the ExtremeScreen®80 revolutionary patented design is a knitted hexagonal pattern. This unique structure forms a honeycomb lattice that diffuses airflow without creating drag on the fence, the fabric, or the attachment points.

- **Material** – High-density knitted polyethylene
- **Standard heights** – 6' and 9', with custom heights available in all colors
- **Density/opacity** – 80%
- **Material/weight** – 5 oz/square yard
- **Hems** – 1.75" wide, 3-ply reinforced with 18 oz vinyl
- **Grommets** – #2 brass grommets every 12" triple-grommeted corners
- **Warranty** – 7 years
