

To the Surrendering Party,

We are very sorry to hear that you are looking to surrender your TFT to Toy Fox Terrier Rescue (TFTR), Inc. We realize that a TFT is like a child with all of its needs and wants, and sometimes, a TFT is best if placed into another loving forever home. We truly appreciate what a tough decision this often is, and we are here to help you through this transition, for no one knows TFTs better than TFTR.

For this process, we require a \$150 donation fee that goes directly into our Rescue Fund to support and care for other needy/neglected/abandoned TFTs throughout the country that desperately need our help. We, as volunteers in rescue, work for free. If this donation fee will present a financial hardship, we will certainly work with you to provide the best possible solution for your little one.

Most importantly, please supply us with digital photos and information about your Toy Fox Terrier, including its height, weight, color, age, etc. Also please supply any and all pertinent information regarding your dog's health and vet history, social/behavioral issues, special needs, etc. Comprehensive information that you provide regarding your dog will greatly assist us in its placement into the best possible loving, forever home.

We sincerely appreciate you contacting TFTR, Inc. We adore this breed and have been very successful in placing many needy TFTs throughout the country, so we are honored and delighted that you chose us.

Sincerely,

Toy Fox Terrier Rescue, Inc.
