

*Dear Interested Volunteer,*

*Thank you so very much for considering becoming a volunteer for Toy Fox Terrier Rescue, Inc. (TFTR).; to help us with the placement of Toy Fox Terriers into loving, forever homes.*

*We adore this breed. They are truly like a child requiring much love and attention, but what they give back to us fills our souls like nothing else in life. Perhaps you have a TFT and want to help; perhaps you love TFTs but are not in a position to own one at this time; or perhaps you've adopted a TFT from us in the past and love our group so much that you want to give back. Whatever the reason, we are thrilled!!*

*Since TFTR is a nationwide, breed-specific rescue group, it takes a collaborative effort to help the little ones across the country who may need us. This includes the people on the TFTR Board, the people who foster for us, the people who do home visits for us, the people who help with transports, the people who participate in our fundraisers, and the people who share our posts. Volunteering includes so many things, from being in the public eye to working behind the scenes. It includes the things mentioned above, as well as helping to work on our website, assisting with fundraising, writing grants to apply for much-needed funds, processing applications, making follow-up phone calls, or even becoming a State Coordinator.*

*To begin the process of becoming a TFTR Volunteer, we will need a completed volunteer application. The information you provide will help us figure out how to best utilize your talents! And, if you indicate that you'd like to become an approved foster home, we will send you a foster agreement to be initialed and signed by both yourself and TFTR. You will work closely with members of the TFTR Board, the Volunteer Coordinator, and/or the Dog Facilitators.*

*Thank you again for your desire to volunteer with TFTR. The TFT is a special breed, and once you have one, you will never want to be without one again. And rescue, well you "earn your wings" with that one.*

*Sincerely,*

*Toy Fox Terrier Rescue, Inc.*
