SNIPER/ OBSERVER TEAMS WILL COMPETE HEAD-TO-HEAD IN A VERY CHALLENGING SERIES OF EVENTS THAT HAVE HISTORICALLY SERVED AS A COMPREHENSIVE TRAINING EXERCISE AND PROVEN TO BE GREAT FUN. THESE COURSES WILL TEST AND VALIDATE THE TEAM'S OVERALL SNIPING SKILLS, INCLUDING JUDGEMENT, TEAMWORK, TACTICS AND SHOOTING UNDER INDUCED STRESS.

Participation is open only to active, certified, police SWAT team and military personnel. The course will be physically and mentally demanding and shooters should be in good physical condition.

The challenge will consist of two-man teams.

This is not a contest, or a world championship. Nor is this to be confused with your basic bullseye benchrest course. This is a competitive sniper training event without equal. The courses of fire will mirror actual police sniper engagements. Any sniper seeking to gauge his readiness to operate in the real world of tactical deployments should be part of this challenge.

Trophy and Prizes will be presented to the top three teams.

Challenge cost is \$210.00 per-person. Lunch will be provided both days. If you have any questions about the Snipercraft Team Challenge please Contact us at 508-320-7388.
