OUR MISSION

At Grace for Haiti Children, we believe lasting change begins with people, opportunity, and community.

We build and connect community centered spaces and strengthen local partnerships to create safe environments where children, families, and young people can learn, grow, and thrive.

Through education, skills development, mentorship, leadership, and holistic support, we invest in the next generation equipping them with the knowledge, confidence, character, and opportunities to overcome barriers and shape a stronger future for themselves and their communities.

We are not here to create dependency. We are here to empower people, strengthen communities, and invest in Haiti's future—one child at a time.

LETTER FROM OUR FOUNDER

When I look back at where this journey began, I am filled with gratitude. What started as a personal desire to serve has grown into a mission dedicated to creating opportunities, restoring hope, and investing in Haiti's future generations.

My journey has shaped the way I understand service. Growing up in Haiti and experiencing firsthand the importance of education, community, and having people who believe in your potential, I learned that meaningful change begins when we choose to invest in people not simply for today, but for the future.

In 2022, Grace for Haiti Children stepped into the public sphere with a clear vision: to serve children and communities through education, nourishment, mentorship, and sustainable opportunities. Since then, we have continued to learn, grow, build partnerships, and expand our reach.

I am deeply grateful for every donor, partner, volunteer, teacher, community member, and supporter who has contributed to this journey. Every contribution has helped turn an idea into action and a vision into something communities can experience.

Our work is not about creating dependency. It is about creating pathways—pathways to learn, to grow, to lead, to work, and to dream beyond present circumstances.

As we look toward the years ahead, our commitment remains the same: to believe in Haiti's children, invest in its communities, and help create opportunities that can outlast any single program or moment.

There is still much work to do, but I am grateful for how far we have come and confident in what we can build together.

Thank you for believing in this mission. Thank you for believing in Haiti. And thank you for being part of the journey.

With Gratitude,
Valme Murielle

IMPACT HIGHLIGHTS

In 2023, Grace for Haiti Children expanded its programs to provide essential relief, education support, and opportunities for vulnerable communities.

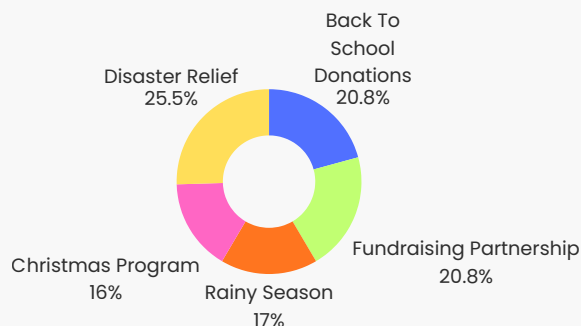

- **Disaster Relief Program:** Provided hundreds of cooked meals and food packages to families affected by severe storms and flooding.
- **Back-to-School Support:** Distributed nearly 100 backpacks filled with school supplies, with additional support from donors abroad.
- **Rainy Season Assistance:** Provided temporary shelter support and food packages to vulnerable families during the storm season.
- **International Partnership:** Developed a partnership through the founder's work at Flathead Lutheran Bible Camp in Montana, helping raise funds for GFHC programs in Haiti.
- **Christmas Program:** Hosted our largest Christmas celebration yet, providing food, gifts, and support for children, families, teachers, and staff.

LOOKING AHEAD WITH GRATITUDE

As we move forward into 2023 and beyond, we remain committed to building programs that do more than meet immediate needs they create pathways to education, opportunity, dignity, and lasting empowerment for children, families, and communities across Haiti.

Every milestone we have reached has been made possible by the people who chose to believe in this mission.

Your generosity, partnership, prayers, and continued support have helped transform a vision into meaningful action and have allowed us to reach more communities and create greater opportunities for Haiti's future generations.

Thank you for believing in the mission, investing in the vision, and standing with us in this journey.

Together, we are not simply responding to today's challenges we are building a stronger tomorrow, one child, one opportunity, and one community at a time.
