OUR MISSION

At Grace for Haiti Children, we believe lasting change begins with people, opportunity, and community.

We build and connect community centered spaces and strengthen local partnerships to create safe environments where children, families, and young people can learn, grow, and thrive.

Through education, skills development, mentorship, leadership, and holistic support, we invest in the next generation equipping them with the knowledge, confidence, character, and opportunities to overcome barriers and shape a stronger future for themselves and their communities.

We are not here to create dependency. We are here to empower people, strengthen communities, and invest in Haiti's future—one child at a time.

LETTER FROM OUR FOUNDER

Looking back on this journey, I am reminded that every meaningful movement begins with a simple decision: to believe that change is possible.

Since publicly launching Grace for Haiti Children in 2022, what began as a vision has continued to grow into a mission serving children, families, and communities across Haiti. Through education, nourishment, mentorship, community outreach, and sustainable opportunities, we have taken meaningful steps toward creating lasting impact.

I am profoundly grateful to every donor, partner, volunteer, teacher, community member, and supporter who has stood behind this vision. Your trust has transformed ideas into action and challenges into opportunities. Our work is about more than providing assistance. It is about empowering people, strengthening communities, and investing in the potential of Haiti's future generations.

There is still much to accomplish, but I remain hopeful and committed to the journey ahead.

Thank you for believing in this mission, believing in our communities, and believing in what is possible for Haiti.

With Gratitude,
Valme Murielle

2024

IMPACT HIGHLIGHTS

In 2024, Grace for Haiti Children expanded its programs to provide essential relief, education support, and opportunities for vulnerable communities.

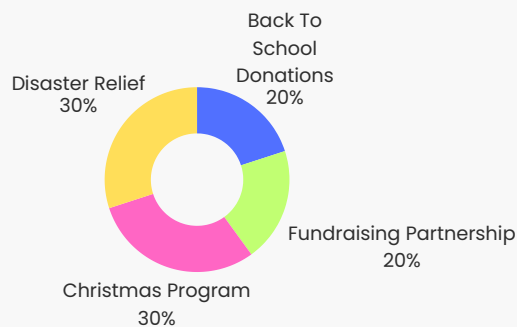

- **Emergency Relief Program:** Provided hygiene kits and prepared meals to families affected by displacement, crisis, and challenging living conditions, offering immediate assistance and support.
- **Back-to-School Support:** Equipped children with essential school materials and meals while supporting teachers in local schools, helping students begin the school year prepared to learn.
- **Christmas Program:** Created a meaningful celebration for children and staff by providing meals, gifts, and a welcoming environment centered on joy, community, and hope.
- **Vacation Bible School (VBS):** Served 86 children through daily meals, faith-based activities, recreation, and educational experiences, in partnership with the GBV Foundation, creating a safe and engaging space for children to learn and grow.
