OUR MISSION

We build and connect community-centered spaces while strengthening partnerships with local institutions in underserved communities across Haiti. Our goal is to create safe, accessible environments where children, families, and young people can access education, resources, mentorship, and meaningful opportunities within communities too often overlooked.

Through education, skills development, mentorship, and holistic support, we equip the next generation with the knowledge, confidence, character, and leadership skills to overcome barriers and create new possibilities.

Our mission goes beyond meeting immediate needs.

We invest in people, strengthen communities, and create pathways for lasting change empowering individuals to break cycles of poverty, rewrite their stories, and build a different future for themselves, their families, and their communities.

LETTER FROM OUR FOUNDER

2022 marked our first year publicly launching Grace for Haiti Children, bringing a vision that had been growing through years of personal experience in education, community service, and a deep commitment to Haiti's future. What began with a desire to serve has continued to evolve into a growing movement focused on creating meaningful, sustainable opportunities for children, families, and young people across underserved communities.

My personal journey began in Port-au-Prince. Following the devastating 2010 earthquake, I was placed in a ministry-supported home, where I experienced firsthand the importance of community, education, mentorship, and having people who believe in your potential.

Those experiences shaped my commitment to serving others and became part of the foundation behind GFHC.

Today, I am deeply grateful for how far this vision has evolved. From supporting children through education and nutrition programs to investing in youth development, employment, mentorship, and community-centered spaces, GFHC continues to grow with one purpose: to empower Haiti's next generation with opportunities that can create lasting change.

What started as a vision has become a growing community of people committed to believing in Haiti and investing in its future.

Thank you for believing, supporting, and building this journey with us one child, one family, and one community at a time.

With Gratitude,
Valme Murielle

What began as a vision became a movement built on faith, strengthened by community, and driven by a commitment to Haiti's future.

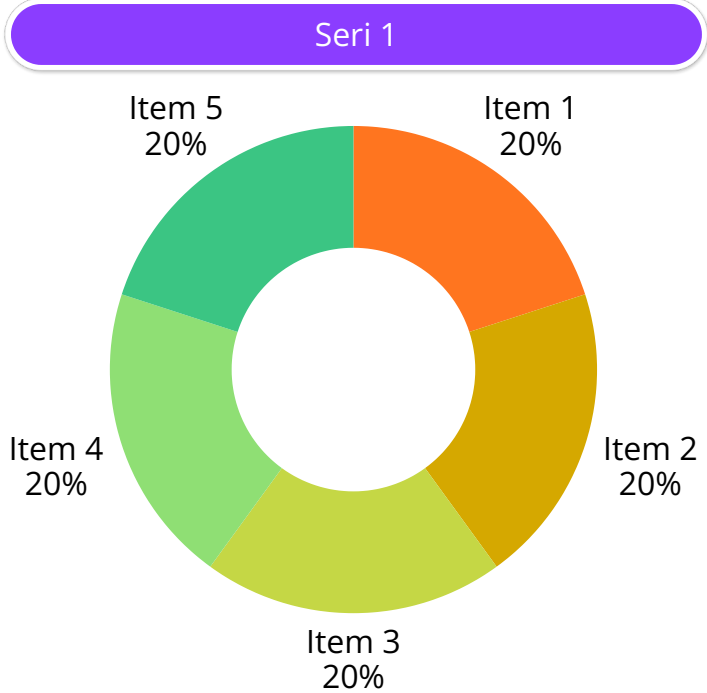

2025 IMPACT HIGHLIGHTS

Throughout 2022, our organization carried out programs designed to address critical needs and foster long-term development

- **Haitian Ruby Project:** Shared meals, clothing, and shoes with over a hundred children and families through community contributions and founder support.
- **Education Support:** Partnered with local schools to provide teacher support, school supplies, backpacks, and daily meals for students.
- **Christmas Program:** Brought holiday cheer to nearly a hundred children through gifts and community celebrations.
- **Second Outreach Program:** Served meals to dozens of displaced and vulnerable individuals, providing relief and hope.

Total Fund Allocation: 100%

Thank You!!!

LOOKING AHEAD WITH GRATITUDE

As we move forward into 2023 and beyond, we remain committed to building programs that do more than meet immediate needs they create pathways to education, opportunity, dignity, and lasting empowerment for children, families, and communities across Haiti.

Every milestone we have reached has been made possible by the people who chose to believe in this mission.

Your generosity, partnership, prayers, and continued support have helped transform a vision into meaningful action and have allowed us to reach more communities and create greater opportunities for Haiti's future generations.

Thank you for believing in the mission, investing in the vision, and standing with us in this journey.

Together, we are not simply responding to today's challenges we are building a stronger tomorrow, one child, one opportunity, and one community at a time.
