

UPGRADES

System X interior protects all your interior surfaces, such as fabric seats, carpet, leather, and vinyl with a single professional coating. Spills and stains clean up easily and quickly. System X interior is safe, easy to apply, and odorless. It provides great protection for your interior without changing the color of your leather, fabric, or carpet. \$45

UPGRADES

System X Glass protects your windshields, windows, mirrors, headlamps, and glass surfaces for up to a full 2 years. This amazing coating protects from micro scratches while multiplying the surface's hydrophobic properties. System X Glass dramatically increases visibility in the rain and makes de-icing in the winter and cleaning insects' matter in the summer a breeze. System X Glass reduces glare and reduces stone chips with a single application. \$85 Windshield ceramic coating with 6 months in shop warranty. \$105 All vehicle windows ceramic coating with 1 year in shop warranty.
