

STILL VALLEY LAKE LOFT
8723 North Slalom Lane., Minerva OH

Welcome to the Still Valley Lake Loft. Still Valley Lake is a 32 acre private lake located outside Minerva in Carroll County, Ohio. Our property encompasses approximately 130 acres including the lake itself. The lake is man-made and was constructed by moving 70 thousand cubic yards of dirt. We hope that you find it to be as beautiful and relaxing here as we do. The fishing is amazing! Keep your eyes open for blue heron, wild turkeys, hawks, a passing bald eagle, turtles, geese, ducks and deer. Please contact Marcy by message, at 330-868-8113 or svrlakehouse@gmail.com if you have any questions or concerns.

Loft & Lake Rules and Information

Liability waiver must be completed by all guests prior to or immediately upon check-in. Additional day-only guests must also sign a waiver upon arrival. Please slide completed waivers under the wooden door at the entrance and into the attached garage. These will be collected during your stay.

Smoke detectors are in both bedrooms and the kitchen. Please exit the building and call 911 in the event of an emergency. A fire extinguisher is located under the kitchen sink. Flashlight is located in the right red cabinet. A carbon monoxide detector is located near the kitchen. Please contact us immediately if any alarms start beeping (a spare battery should be located on the top shelf of the right red cabinet).

This is a second floor unit. Guests must be able to walk up a flight of stairs.

The rental is not small-child friendly.

The lake is lowered beginning in November until spring in order to protect the docks and our house from ice. The pontoon boat and water skiing are not available at that time. The canoe and kayak may still be used, but it will require more effort to get onto the water.

AWD or 4WD necessary in the event of snow and/or ice on the concrete drive.

No smoking inside or on the property. A minimum \$100 cleaning fee will be applied if guests smoke in the unit.

Guest parking is to the right of the loft. See the map of the area. Maximum 3 guest vehicles allowed.

WiFi password: gJrCtEQj5n

4 overnight guests standard. Unit can accommodate an additional 2 children or small adults utilizing the futons.

The garbage truck comes very early on Tuesday mornings or Wednesday mornings after a holiday. You will hear it beeping when it turns around.

Please lift the handle to the outside door to lock with the key or turn the deadbolt.

This is a septic system, so...

- Please do NOT flush anything in down the toilet but toilet paper.
- No coffee grounds, egg shells or stringy fruits or vegetables (banana peels, celery, cabbage, etc.) go into the garbage disposal.
- Drain grease into the jar provided under the sink.

Bagged garbage may be left in the trash can located outside the loft.

The kitchen is equipped for cooking your own meals. Coffee, tea, hot chocolate, instant oatmeal and assorted breakfast bars are complimentary. This will be restocked upon guest request.

The coffee maker is a single brew system that uses ground coffee (in container on the counter) and individual coffee filters (located in the drawer with the flatware). Please DO NOT put coffee grounds down the garbage disposal. Throw them in the trash. Coffee filters are meant to be reused and may be washed in the silverware section of the dishwasher.

Pots and pans are located in the drawer under the stove. Extra items (non-perishable) can be found in the cupboard over the kitchen sink.

Extra towels, games, pen and paper are located in the red cabinet on the right, as

well as additional paper products and cleaning supplies.

Beach towels are located in the bench at the top of the stairs. Please do not take the white bathroom towels outside.

Smart TV's may be used with WiFi or guest's mobile hot spot and the guest's own subscription services such as Prime, Netflix, Hulu, etc. Remember to log out when you check out of the loft. Please note the currently internet speeds are slow and may not support video streaming. Verizon works well in this area.

- If the TV's do not work, please check in “settings” to see if they are logged into the internet. Samsung TV's do not automatically log in if the previous guest used a mobile hotspot.

The hand unit of the shower does not work. The waterfall does work.

In the event of a power outage, a flashlight is located in the right cabinet. This is a well and septic system, so there will be very limited water available. Please avoid flushing unless necessary. If possible, contact us by text message so we can report the outage the power company.

Please use caution opening and closing the blinds. They should be pulled or lifted gently to avoid breaking them.

Camping chairs are for use on the balcony or outside. Additional chairs for use by the lake are located in the storage container outside the loft.

A fire pit located by the dock is available for guest use. Wood can be found along the tree line (what out for poison ivy!). Roasting forks (located in a bag in the cupboard with the bake ware) should be hand washed.

A small charcoal grill is available for guest use. Aluminum foil, cleaner and fire starter are located in the right hand cabinet. Grilling utensils are located in a portable case in the cabinet with the bake ware.

Guests are responsible for cleaning the grill and emptying both the grill and the fire pit. Please do NOT empty either in the cut grass or beside the dock. Once completely cooled, the ashes should either be put in bagged trash or emptied in the uncut area behind the loft. Please return both to where they were located at check-in.

Complimentary canoe, kayak and paddle boat are located on the dock to the left of the loft.

The pontoon boat may be rented for guest use for an additional fee. Please contact Milton at 330-868-8248 or svrlakehouse@gmail.com for rental information.

Inboard tournament ski boat and driver are (possibly) available for an additional fee. Please contact Milton at 330-868-8248 or svrlakehouse@gmail.com for rental information.

Life jackets can be found in the storage bench outside the loft. Use of these life jackets is strongly encouraged. *Guests are using the lake at their own risk.* No infant life jackets are available. Contact Milton or Marcy if they are missing.

Corn hole is located in the storage bench outside the loft.

The beach on the far left side of the dam is private and is not for guest use. The area to the right of the loft, including under and around the main house and the adjacent island are private and are not for guest use. See the map of the area. Please feel free to fish along the dam between these areas. Fishing equipment is not provided. Live bait may be purchased at Discount Drug Mart, 1145 Alliance Rd NW, Minerva.

Please contact us for directions on where to hike on the property. Not all property lines are marked and neighbors do bow hunt. Wear appropriate clothing, including closed-toe shoes and bright colors. Check for ticks.

For your safety, do not hike the property after dark.

While you are out on the lake...

Safety first! Please wear life jackets. Do not either boat or swim if intoxicated or after dark.

Only swim from the dock. The dam is lined with stone which could cause injury.

Do not take the pontoon boat around the ski course or ramp. There are cables under the water that could wrap around the propeller.

Ski boats have priority use on the lake. Please go to the edge of the lake, do NOT cross in front the ski boat or create unnecessary wakes. Avoid the areas around the turn islands as they may be blind spots for the ski boat drivers. Stay clear of the ramp (it's a ski jump).

When it's time to leave...

- Collect garbage in the bags provided and leave in the trash can located outside the unit.
- Strip bedding, leaving sheets on the floor and comforters and any blankets that were used on the beds.
- Used towels (bath, beach and kitchen) should be left on the bathroom floor.
- Load dirty dishes and start the dishwasher.
- Blinds should be pulled down to approximately $\frac{3}{4}$ closed position.
- Turn off all interior and exterior lights.
- Set air conditioning to 79° or heat to 60°.
- After locking the door, return the key to the key box (code 8724). Please re-lock the box.
- Text or message Marcy that you are leaving.

Please sign our guest book! Take a pen! Enjoy your stay? Please remember to review us on Airbnb or Google.
