

Erie
JR SEAWOLVES

HELP SEND OUR 12U TEAM TO COOPERSTOWN!

Our 12U baseball team has earned an incredible opportunity and been accepted to play at **Cooperstown Dreams Park July 18-24** and represent our local hometown Erie brand on a national stage!
<https://www.cooperstowndreamspark.com/>

This once-in-a-lifetime trip, only available to 12U athletes, allows our players to compete against teams from all over the country, stay together in team housing, and experience a full week of baseball and memories they'll never forget. Your sponsorship will directly offset the cost for our players to attend, including player lodging & meals, tournament fees, and overall team experience costs. It is a substantial cost for our players to make this trip a reality, and we are seeking support from our community. The Erie Jr SeaWolves is a 501c3 Non-Profit Organization.

We are incredibly grateful for any support you can provide. Every dollar helps bring our players closer to Cooperstown!

About The Cooperstown Dreams Park Experience:

Each year, our 12U team has the opportunity to attend **Cooperstown Dreams Park** in Cooperstown, New York – the birthplace of baseball and home to the National Baseball Hall of Fame. This is once-in-a-lifetime experience for youth players and a highlight of their baseball careers.

Over the course of a full week, our players will:

- **Live Like the Pros** – Players stay together in a secure, on-site players' village, bonding as teammates and experiencing what it feels like to be part of something bigger than themselves.
- **Play Competitive Baseball** – Our team will compete against 100+ other 12U teams from across the country in a national tournament, testing their skills at the highest level.
- **Meet Players from Everywhere** – The week is about more than baseball — kids form friendships with players from all over the U.S. and experience the unique camaraderie that Cooperstown is known for.
- **Create Lifelong Memories:** There are parades, pin trading, opening ceremonies, and opportunities to visit the National Baseball Hall of Fame — making this not just a tournament, but a full baseball experience.
