2026

PARTNERSHIPS

Erie JR SEAWOLVES

ERIE JR SEAWOLVES: WHO WE ARE:

We are 501c3 non-profit organization that is partnered with the Erie SeaWolves with the purpose of providing a high-level baseball training program that develops athletes from NW PA and its surrounding areas to build the sport of baseball by connecting the highest levels of the game (including MLB players and organizations) to the youth ages in a positive development program.

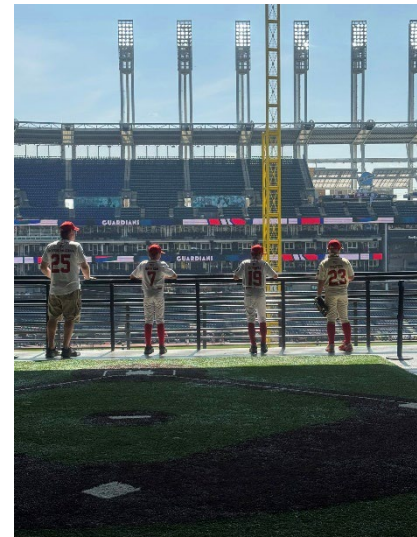

We have several Jr SeaWolves teams that work together as a pack to train, host local tournaments, clinics and renovate facilities including local baseball fields and indoor facilities to make our community a baseball destination in the summer.

Our program includes:

- Erie Jr. SeaWolves travel teams.
- Indoor offseason development programs at the Erie Strike Zone Academy
- Li'l Howlers (ages 8 and under)
- Local tournaments indoors and outdoor
- Skill clinics
- On and off the field events for the athletes

Our leaders believe that baseball can be used to teach valuable life skills to our youth that will teach them to be leaders on and off the field. Over the past 3 years of our program, we have changed the game of baseball in our area including training hundreds of kids per year, hosting advanced level events and sending our teams and players out to compete and bring respect back to baseball in our area. This has built confidence in young men's lives, helped athletes get invited to college and changed our community.

Erie JR SEAWOLVES

ERIE JR SEAWOLVES - WHY PARTNER WITH US?:

It is our goal to represent the SeaWolves brand and help make Erie a better place by attracting tourism and training future leaders of our community.

TOURISM: Last year (2024-2025) we held 3 major tournaments and over 90 hours of double headers. Over 150 teams to Erie to participate in our programs as well as **thousands of people** to visit Erie for our events, including a college showcase held at UPMC Park and PSU Behrend, which helped athletes get recruited and go to college locally at PSU Behrend and Gannon University. Our Jr SeaWolves teams traveled all over the tristate area representing our local Erie brand and bringing respect to baseball athletes from our area. This in turn attracts out-of-town teams to want to travel to Erie to play good competition in quality events hosted by our organization.

IMPROVING ERIE: We helped development at the Erie Strike Zone Academy, which brings a high-level indoor training facility to NW PA that is unparalleled in our area. This 24,000 sq ft baseball and softball training facility is already attracting professional coaches, former MLB talents, and provides a next level training environment for all of our upcoming Erie athletes that are committed to the sport including youth amateurs and professionals.

For this upcoming season we will be partnering with Eriez Magnetics to help revitalize the Eriez field next to Wegmans West. Once completed this field will bring a training ground for Erie Jr SeaWolves athletes and host local scrimmages and youth invitational games.

ERIE FIRST PARTNERS: In addition to Eriez Magnetics and Erie SeaWolves we look to partner with organizations that have strong roots in our community. This has led us to partner with Gannon University and PSU Behrend to provide employment for their athletes to train young, upcoming athletes in our SeaWolves and Strike Zone Academy program which connects them to local colleges. We also partner directly to develop events that attract student athletes to the Erie area. We believe this is important because many of these student athletes will

attend GU and PSU Behrend and get careers locally for businesses and become the next generation of leaders.

Erie JR SEAWOLVES

Erie JR SEAWOLVES

Banner Example. Banner will be hung at games and the Erie Strike Zone Academy.

Website information will be posted at www.eriejrseawolves.com in the teams section. Each team has there own section on the website.

2026 EVENT SPONSORS:

Our **JR SEAWOLVES** teams are hosting 9 different events this spring and summer that will host over 100 teams from the tristate area and beyond. These events are held indoors and outdoors and we take a lot of pride in making these events special experiences for the athletes, families and our Erie community.

We have sponsors available for the following:

1. Mental Management and Leadership Seminar with Gannon University with former World Series player Brandon Guyer
2. 6 total indoor events in the fall, winter and spring.
3. For each field at the Angels in the Outfield Tournament (7 total)
4. For each field at the Salute to Service Tournament (7 total)
5. For the College Showcase (4 total and hung on main tables)

Erie JR SEAWOLVES

Event sponsors go 100% to the event and the Erie community. These help offset some of the costs for the events and help provide a quality atmosphere for the teams participating. This is important because many of these teams travel from out of town and look for great local experiences in the Gem City!

Erie JR SEAWOLVES

2026 JR SEAWOLVES ACADEMY SPONSORS:

Our Jr SeaWolves Academy is a collaboration between Gannon University baseball, the Jr SeaWolves and the Erie Strike Zone Academy to provide a high-level, fundamental training program that has only been available to large market programs.

This program hires Gannon athletes and professional athletes to train the next generation of players and leaders in this area. This program runs 30 weeks during the offseason, providing 360 hours of classes, handbooks, homework and professional training. This offers part-time employment for college athletes, professional coaches and training opportunities for all the athletes in our area.

100% of donations to this program will go directly to offset coaching costs. Keeping this program affordable keeps our athletes local and from leaving Erie to seek higher level training or employment.
