BUTTON HOLES & WRIST CORSAGES

Buttonholes are one of our favourite pieces to create, a small detail that makes a lasting impression. It's remarkable how something so refined can complete a look so beautifully.

We offer a range of buttonhole designs featuring a variety of flowers and styles. If you choose a focal bloom such as a rose, different size options are available to suit your preference, the image shown features a large rose.

We offer beautifully crafted wrist corsages and delicate floral crowns, the perfect finishing touch or a thoughtful gift for someone special.

Our cake flowers are designed to complement your celebration perfectly, adding a natural, elegant detail to your cake for something truly extra special.
