

1 CURRICULUM

STEP-BY-STEP PROGRAM

Our signature step-by-step training curriculum that includes more than 75 lessons, hundreds of how-to videos, socialization ideas & activities, training games & best practices, printable charts & checklists, in addition to tips & tricks and so much more!

2 SUPPORT

JUST THE VIDEOS

For anyone in a hurry or pet families who want to filter the curriculum content to just videos, we created a simple location for you to binge watch training video, after video, after video without all of the writing included inside the lessons & videos area!

GAMES & ACTIVITIES

Filled with interactive training ideas and options in order to help you and your family to teach your dog patience and impulse control, as well as find constructive ways to interact with your pup throughout the day and still be productively in control!

PROGRAM PRINTABLES

When it comes to printing out our participant guide, charts, checklists, homework PDFs and so much more, our program printables area is filled with supplement resources to help you keep track of your progress. Simply select whatever you are interested in and be redirected to a PDF file to review, print or save for later!

ASK THE TRAINER

In addition to asking us your questions, we've also organized this area into a summary page with all the information you will need on the most common canine categories such as biting, barking, housetraining, jumping, leash walking and more!

LIVE! APPOINTMENTS

Easily one of the most popular included resources we offer, our LIVE! APPOINTMENTS allow you to participate in either our LIVE! group Q&A sessions held 3 times weekly, or likewise schedule LIVE! one-on-one time with our team of professionals for personalized help as much as you want, and as often as you need!

CLASSES & COURSES

Think of it as continuing education and providing you with an ongoing assortment of classes and courses in order to help you learn more and become better... we hope you will join in on the fun, we look forward to seeing you soon and if your schedule is already booked - that's OK because they are all available on-demand too!

BAXTER & Bella BLOG

Created for all of our clients who simply enjoy reading about all things dog ownership, our blog is a compilation of practical ideas and best practices you and your family can look to as another way to learn more and become better!

PARENT FORUM

Designed to help you connect with other pet parents around the world, and for the sharing of training ideas and best practices... what's more, we also have a facebook MEMBERS ONLY Group too, moderated by our trainers, and it's awesome!

THE PUPPY TRAINING PODCAST

In short, our podcast is the perfect audio compliment to our STEP-BY-STEP PROGRAM, including practical advice on real world successful dog ownership experiences, in addition to the training tips, tricks, tools and techniques we use personally and professionally with every dog we train!

RESOURCE LIBRARY

A single resource where we save many of our favorite supplemental articles and other beneficial pet-parenting information, allowing you to read and review additional scholarly content in the areas of all things dog ownership and training!

LET'S GET SOCIAL

With such an amazing worldwide following, we invite you to connect with us socially in order to easily stay up-to-date on all things BAXTER & Bella!
