

# Stories and Solutions for a Warming World

## Speaker: Margo Finlayson

*Co-Chair, Climate Reality Project OC Chapter*

**Topic:** The threat of climate change is real but people are stepping up in our local communities and around the world to make a difference. From planting trees to reducing food waste, there are actions we can all take. Join us to hear stories of small and big changes that help us address the effects of climate change.

**Special guests:** Henry Gonzalez and Connie Delgado, who will perform a flute invocation for the Earth and to acknowledge the Tongva, the indigenous people of Southern California.
