Tree-planting Event

Saturday, November 23, 2019

from 9 a.m. to 11 a.m.

Bomo Koral Park, Santa Ana

900 West MacArthur Blvd

Come and Join Us as a Volunteer!

This time, we will plant 10 Canary Island pine and 10 Fern pine trees.

As these trees grow, they will provide shade on hot sunny days, -
for playing on the lawn, and also over the sidewalk and parking lot.

Directions: Coming on W. MacArthur Blvd, turn onto driveway into the Park;
parking lot is right there, and planting site is next to it, at its West side.

We will give instructions how to plant trees, and then you will plant a tree
with you own hands in group of two or three volunteers with our guidance.

Wear comfortable work clothing and closed-toe shoes.

Bring water to drink, hat for sun, and work gloves if you have them.
