

People and Trees, Inc.
in cooperation with Parks Agency of Santa Ana

Tree Planting and Care Project Santa Ana Thornton Park Canopy Expansion June, 2019 - December, 2021

**Thornton Park, Santa Ana
1801 W Segerstrom Ave.**

Join Us as a Volunteer!

Our nonprofit organization, People and Trees, Inc. received a grant, under 2019 Social Equity Urban Forest Management program, for planting 140 trees in Thornton Park in Santa Ana **(see the planting plan on the 2nd page / on the reverse)** and for caring for these trees while they get established, all this in close cooperation with Parks Agency of the City. We plan to start planting these trees this February, 2020.

Community volunteers are needed to help with this planting and care.

For upcoming announcements of our tree planting and care events, please email us at PeopleAndTreesOC@gmail.com to join our list, or check our Facebook page <https://www.facebook.com/PeopleAndTrees>

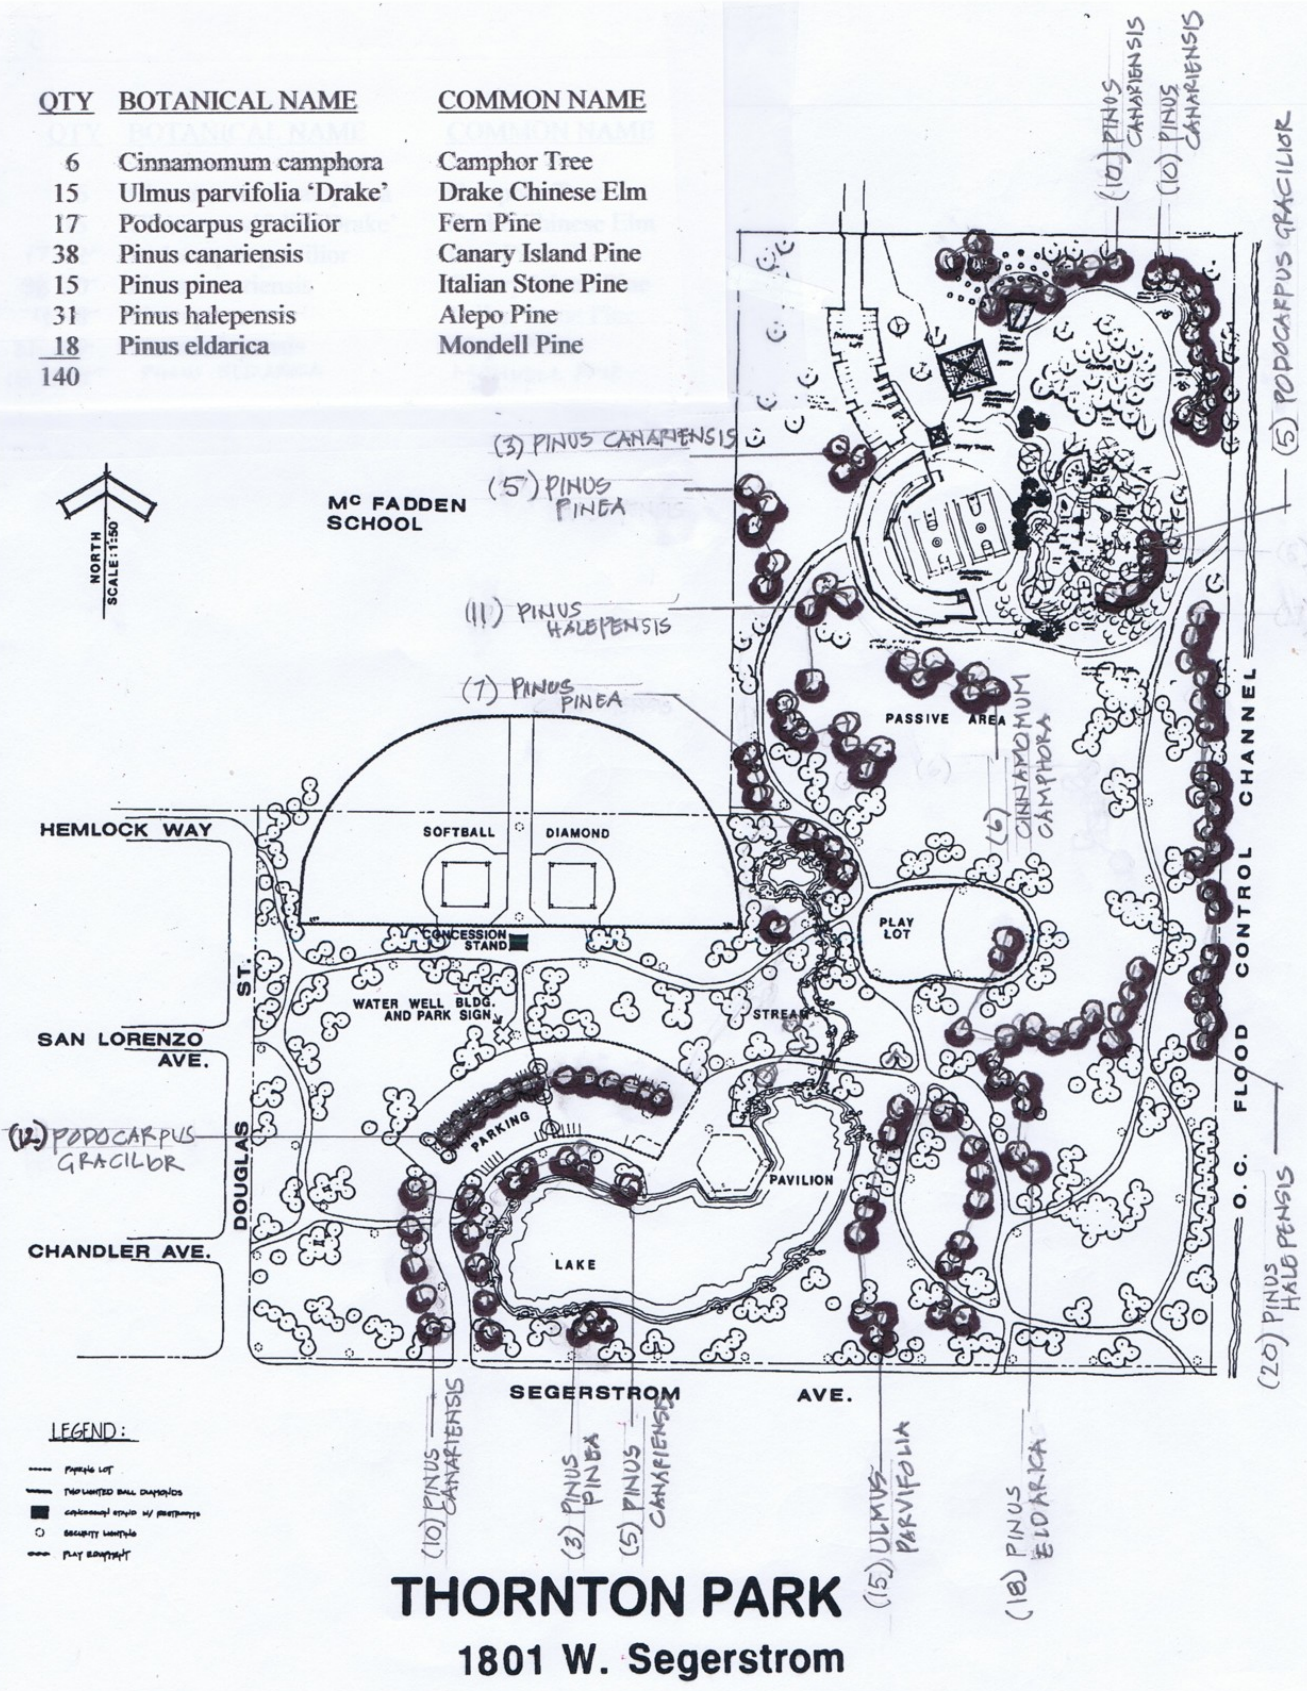

Funding for this project is provided by California Department of Forestry and Fire Protection, through California ReLeaf organization, as part of California Climate Investments Program.
