

Subject: Join Us for a Winter Carnival Promoting Environment Protection!

Dear Participant,

Warm greetings to you! As we embrace the chilly embrace of winter, we are excited to extend a special invitation to you for our upcoming Winter Carnival dedicated to promoting environmental protection.

Natural Shades is a Non Profit Organization involved in 'Environment related Activities' and is organizing this Carnival for awareness on Environmental Changes and how it is impacting the life of people, birds, animals, trees etc., how it is changing social life, culture, inherent talents, how it is destroying the natural beauty, water resources, rivers, lakes, mountains etc. how some birds and animals are on the verge of extinction, how industrialization is consuming natural resources, causing global warming etc. and how the development is increasing e-waste etc.

Why Attend :

This Winter Carnival is not just about festivities; it's a celebration with a purpose. Join us in spreading awareness about the importance of environmental protection and sustainable practices. Together, let's make a positive impact on our planet. You can participate and present your ideas and suggestions through creative drawings, posters, articles, small skits, poems, local songs & cultural dances, display hand made art & craft, flower pots, etc.

The carnival will be held in the end of Dec 2023 in Vasundhara

Events :

- Engage in hands-on activities and workshops to learn practical ways to reduce pollution.
- Green Exhibits : Explore exhibits showcasing eco-friendly products and sustainable solutions.
- Live Performance : Enjoy cultural performances with a focus on Environmental themes
- Winter Games : Have fun with eco-friendly winter games designed to raise awareness about health and environmental issues.
- You can contribute by giving old books, registers, stationary etc. and winter clothes for poor.

How to Participate :

Secure your spot ! Chose your Topic from the List enclosed and respond to this email : naturalshades.trust@gmail.com , WhatsApp or Registration link . The Natural Shades committee will shortlist the participants and provide necessary guidance and infrastructure.

Let's come together to make this Environment Protection Winter Carnival a memorable and impactful event. Your participation can make a difference!

Feel free to reach out if you have any questions or need more information.

Looking forward to your positive response and seeing you at the Winter Carnival!

Best regards

Pankaj Babrey
Founder- Natural Shades Trust

Chose your Topics

Topic Name	Activity brief
Environment	What is Environment , why is it changing and impact on living things Suggest how to protect Environment .
Pollutions	Pollutions of water, air, soil etc., and impact on living things and nature Suggest how pollution can be controlled
Global warming	Factors causing the Global warming , its impacts can it be controlled
