Missionary Clifford Keister  
Church Planter Kirk Lewis  
Missionary Jon Rettig  
Missionary Shane Dice  
Missionary Matt Keller

Beth Haven Baptist Seminary

H.O.P.E. International  
Addictions Program

Dear Pastor;

It is my joy to recommend the Keller family to you for consideration for mission support. Brother and Sister Keller have been faithful members of our church for many years and have served the Lord with gladness; beginning in our church-planting ministry where they helped in the planting of two churches. Through that time, Bro. Matt served as the treasurer and they both taught Sunday School and Children's Church, as well as being engaged in outreach and every other part of the ministry. After serving there, they felt God calling them into full-time ministry and finished their Bible training through the seminary in our church.

God's working in them has been seen, as they have grown in knowledge and burden for others. As they finished their Bible training, they served as the directors of our college and career ministry. During this time, they felt God's calling to the field of Italy. As a church, we sent the Keister family to Italy in February 2020 and the Kellers have already made several trips to help them, including going with them to help them get settled originally and most recently spending a three-month internship there getting immersed in the language and culture. Through this time, their zeal for God's call has grown even more and as a church we have seen God's hand moving.

The goal, once they finish deputation, is to work alongside the Keister family to get their language training and get settled in the culture. After this is accomplished, they will work to establish a church in a nearby city so that they can continue to work together as a team to reach Italy for Christ.

Please pray about adding the Kellers to your mission outreach by support them to go and do the work God has called them to.

As a church, we are highly engaged with the missionaries we send out. The Kellers will be our 6<sup>th</sup> foreign missionary family to go to the field. I say this to give you confidence that as a church. We are not only behind them, but experienced in helping the work of our missionaries to succeed. If you have any questions about our involvement as a church or my engagement as their pastor, please feel free to call or email me personally.

You can reach me at (405) 323-8232 or [pastor@okcbaptistchurch.com](mailto:pastor@okcbaptistchurch.com)

In His Service,  
Pastor Rick Carter Jr.
