

Southern NH Tour of Lights Addresses!

LAST UPDATED: 12/12/22

The Southern NH Tour of Lights program is a collaboration among 13 Recreation Departments in South Central New Hampshire. All homes on this list had to register themselves in order to appear on the list. We did not include any homes that didn't register themselves. There are more than 100 homes on this year's list, so grab the family and head out for an evening of viewing lights!

Route Planning Help: <https://www.mapquest.com/routeplanner>

On this website, you can enter up to 26 addresses at one time and it will create a driving route for you based on other parameters that you select with.

For each Town below, we have created a driving route. We tried to streamline the route from one end of Town to the other end. However, if you go to the Route Planner link you can tailor the list from your starting point.

Enjoy, stay safe and Happy Holidays!
