Scoutmaster's Report December 2, 2018

Troop Meetings	12/2/2018	Scout and parent meeting to discuss the apathy of the troop. We need more active participation. Parents need to help create excitement for troop activities.
	12/9/2018	Last night for requirements and SM conferences for 2018
	12/16/2018	Christmas Party

Troop Outings	Past	Goose Pond - Very nice camp, fun weekend but more activity is needed.
	Future	January - We need a place to go. My recommendation is tent camping to teach the proper way to winter camp.

Troop Advancement		Since my last full report, there have been a number of rank advancements. Not sure of all of them. Going into
		Going into 2019, we as SM's need more time to push boys along. Now that there is a push to have an active committee, this can happen.
		Daria, what do you need from us to help you make sure you're getting all the advancements?
		Hunter is in trouble of missing out on Eagle. His paperwork was not completed properly. He did not follow the instructions of the board, the SM and the CC. Now his application is in limbo. Bob and I have reached out to him multiple times to see where things stand. His mom was supposed to meet us at troop meetings but nothing. I texted him again today. As of printing, I did not hear back.

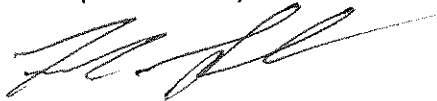

Scoutmaster's Report December 2, 2018

Troop Service Projects	Scouting for Food	Scouting for Food - Need someone to enter the numbers into system for patches and JTE. This should be the SFF chair.
-------------------------------	--------------------------	--

Troop Needs	Equipment	Could use a review of our first aid kit
	Reservations	Once January is decided, we will need a campsite booked.

Miscellaneous	Camp Ichthus	Camp Ichthus - Was going to charge us \$625.00 to cancel. I was able to get that down to \$125.00. This cannot happen again. We are cancelling or moving too many outings. We need better support. That's why I called tonight's meeting with parent's and scouts.
	SM Meeting	I will be having a scoutmaster meeting during our Christmas break to prepare for 2019.
	PLC	I will hold the PLC accountable to hold a meeting during the Christmas break.
	Troop Leadership	All leadership positions will start to get monthly reviews to help scouts learn their positions and become better leaders. Positions will be split among the SM's.

Respectfully Submitted,

Frank Olshefski, IV
