THRESHOLD TO HOPE

PROVIDING HOPE
AND HEALING
THROUGH ART

What we do:

- Offer a safe environment to explore new skills with instruction and mentoring.
- Provide an opportunity to develop existing skills.
- Give encouragement and social interactions.
- Arrange marketing and sales of art if desired.
- Model freedom of self-expression.

“Art is the expression of my soul that says what words cannot convey...the opportunity for free art is priceless. I could never provide this opportunity for myself economically nor would I know what is out there. Art is like having a second language. Without Threshold to Hope I would miss out on a world I didn't know existed.”—M.

Why we do what we do:

Did you Know: Making Art has been shown in studies to reduce stress—

even if you're not very good at it!

“Threshold to Hope is a safe, supportive, creative oasis where I feel a sense of belonging and acceptance. It's awesome to have a place to be playful with art.”—B.

People gain a new appreciation for life and become more engaged when they discover they can do something new and creative.
