## Word from the Director

Recently, we made changes to our website. The new web address is posted just above. While still under construction, you are able to find the current newsletter, menu, and activity schedule posted for your convenience. Thank you for your patience as we work to build an accessible website filled with useful information and resources. Next, we continue to see growth to our Senior Nutrition Program. In March we served 1,211 meals. With an increase of 632, we served 1,843 meals in April. The numbers show that efforts made in the kitchen and dining room are moving us in the right direction. While we provide a nutritious meal at zero cost to all individuals age 60 and older, current changes to funding sources make donations vital to the success of our program. We do welcome and appreciate any and all donations from our members.

April: 1843 Meals Served
