## WORD FROM THE DIRECTOR

In September we saw growth. While we have felt some growing pains, we have also seen great things. We gained 47 new members. The building is a buzz of activity at any given time. Record numbers attending Bingo. Members jumping in to clean up the dining room. Volunteers stepping in to do a variety of tasks. A generous donation of banquet chairs and lounge furniture came from Holiday Inn Express. We served 1,941 meals in the month of September. This represents 45% growth over this time last year. Each day we try to do just a little better than the day before. Between staff, and the amazing commitment of volunteers, we have a great team. The numbers show we are doing the right thing.

While we are thrilled with the numbers, this means added traffic and wear and tear on our building. For this reason, I encourage you to donate \$1 each time you participate in an activity. This is not a requirement. There is no expectation. Everyone is encouraged to participate in activities regardless of ability to donate. These funds support our overhead costs that include maintenance, janitorial, and utilities. When making a donation, you may identify where you would like your donation to go. Food program. General

donation. Bingo. Pool room. Etc. With your support, we will continue to grow and do great things for the members of the SAC.

Thank you,  
*Tara Contreras - Director*
