

## Alarm Instructions

Villa Rossa has an easy-to-use alarm system for security.

On the main keyring is a pink and silver fob that works with the alarm panel next to the front door.

### Arming the alarm

Prior to exiting the property, please first ensure that all external windows and doors are closed and locked.

1. Hold the keyring fob in front of the panel next to the front door. It will light up.
2. Press the top left button on the alarm panel. This will commence arming.
3. Please exit the villa and lock the front door.

**When exiting Villa Rossa, please leave the key in the keybox outside the gate. Ensure the keybox is closed fully. Look-up the 'Security' document for instructions on using the Keybox.**

### Disarming the alarm

When entering the front door of Villa Rossa please hold the keyring fob in front of the alarm panel. The alarm will be disarmed by this action.
