This puppy sales contract legally binds the Breeder and the Purchaser on the following conditions:

The breeder has ensured that the sire and dam are sound breeding stock. The puppies have been reared in a home environment and have been wormed at two weeks, four weeks, six weeks and eight weeks. The puppy is believed to be in good health.

The purchaser is strongly advised to have the puppy vet checked within three days of collecting the puppy. If the vet certifies that there is any problem which makes the puppy unfit for sale, provided the puppy is returned in the same condition as when it was sold, and within seven days, the breeder will take the puppy back and refund the full purchase price. The breeder will not pay expenses incurred in the return of a puppy nor accept any claim for distress caused by the return.

Breeder is not responsible for any vet bills made after the pup leaves the care of Summer Sun Doodles and shall not be responsible for injury caused by carelessness or negligence on the part of the buyer.

Breeder makes no guarantees regarding the loss of puppy due to accidental death, theft, sickness due to lack of vaccinations, etc. or any other loss beyond the control of the breeder, except as stated above.

The breeder has enquired of the purchaser his or her past experience with dogs and with this particular dog breed and on the basis of the information received is willing to place a puppy with the purchaser. The breeder has pointed out to the purchaser the main conditions the breed is prone to and the health schemes followed to reduce the risk of such conditions. Every puppy is an individual and the breeder cannot be held responsible should conditions, genetic or otherwise, develop later in life.

The purchaser agrees that the dog will be kept in appropriate conditions for its welfare and health. It will be fed on a suitable diet for its age and condition and have appropriate exercise. It will receive all necessary veterinary care to maintain its physical good health. The dog will be kept under appropriate control and will not be neglected or maltreated in any way. The purchaser attests that he or she has not been banned from keeping a dog or any other animal by any legal court.

If circumstances occur where it becomes necessary to re-home the dog, the breeder must first be notified and given an opportunity to take back the dog either by purchase (if the breeder finds a home and sells him or her) or to home it if it is in need of rescue. If the dog is rehomed or surrendered without written consent of the breeder, purchaser will owe breeder a sum of \$5,000. Any legal costs involved with obtaining this payment will also be paid by purchaser.

The purchaser is allowing Summer Sun Doodles to use any pictures of the dog that he/she posts on social media to be used by Summer Sun Doodles in any manner they choose, generally by reposting and sharing on Facebook, Instagram, etc.

I acknowledge that this is a legal and binding contract and have reviewed and agree to the terms listed above. The buyer agrees to maintain up-to-date vaccines, wormings, heartworm prevention and to keep the puppy/dog in humane conditions, providing proper food, water and shelter. Failure to follow the above contract will result in a breach of contract and shall render the contract null and void. This contract applies only to the original purchaser and is NOT transferable. When a reservation fee is received by Summer Sun Doodles the Purchaser automatically agrees to the terms of this contract, even if both parties have not yet signed the contract.
