REC ALPHOX

A POWERFUL COMBINATION • PERFORMANCE • AESTHETICS • ENERGY SAVINGS

REC AMERICAS

a trusted partner

REC is an international, pioneering, solar energy company with Scandinavian heritage and a strong reputation across the world. Dedicated to bringing clean solar energy to everyone with our reliable and high-end products, 'Solar's Most Trusted' is not just a slogan – it is a promise we live up to every day in delivering outstanding, high quality products to our customers.

Lowest product claims rate

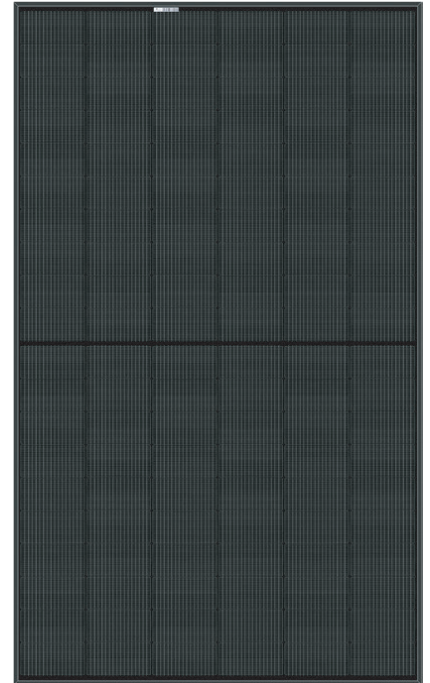

REC panels consistently demonstrate the lowest number of product defects according to published statistics. Calculated as parts per million panels produced, no competitor comes close to matching REC!

Over 20% more power on your roof

- Super-efficient performance through the most advanced cell structure to capture more sunlight
- Highest power density (W/m²) gets the most energy out of a limited space

Takes the heat

- Lowest temperature coefficient for the very best performance on hot days and in hot climates
- More energy produced during the longest days of the year

Guaranteed better durability

- Super-strong frame for better protection against the elements
- Long-lasting high power through improved durability
- Leading Pro-Trust (25x3) warranty, guarantees product, performance and labor for 25 years

The 60-cell high-efficiency Alpha solar panel provides your home with a powerful combination of long term performance, sleek aesthetics, and valuable energy savings.
