

Bend Hypnobirthing Terms and Conditions

By enrolling in a Bend Hypnobirthing course, you are agreeing to the following:

Payment

A non-refundable deposit of \$100 is required to confirm your place on your chosen course.

The balance of the course fee must be paid in full at or before the first session of the course. Course fees are non refundable except under exceptional circumstances.

Payment is made for a full course as advertised and not for individual sessions.

Flexible payment terms must be agreed in advance.

Cancellations

In the event of cancellation by a participant prior to the start of the course, the deposit is non-refundable.

In the event of cancellation by a participant after one or more sessions of the course have been completed, no refund will be given.

In the unlikely event of cancellation of a course by Bend Hypnobirthing, attempts will be made to reschedule. If this is not possible, or alternative dates cannot be agreed, a full refund of the total fee will be given.

In the unlikely event of cancellation of an individual session by Bend Hypnobirthing, attempts will be made to reschedule. If this is not possible, or if alternative dates cannot be agreed, a refund for sessions not yet taken will be given. If it is not possible for all couples within a group to agree an alternative date then provision will be made for individual couples. The refunded fee per session will be calculated as the total fee, after deduction of the \$100 deposit, divided by the number of sessions in the course. No refund will be made for sessions already taken.

If, for any reason, an in-person course cannot take place, for example in extreme weather conditions or government guidelines, the event will either be rescheduled or the course will take place over live video link.

Rescheduling Sessions

For participants taking a private one-on-one course, 48 hours notice must be given for rescheduling appointment dates or times. When this is not done, the participants will be liable for the session fee calculated as the total fee, after deduction of the \$100, divided by the number of sessions in the course. Exceptions may be made in exceptional circumstances.
