

# 2019 - The Year of Manifestation!

Prayer and Declaration:

In 2019, God's divine perpetual blessings are manifested in my life! As God was with Abraham, Isaac, and Jacob, blessing and guiding them continually, so does He bless and guide me. Daily providing me with His wisdom, courage, and the strength to persevere!

In 2019, I choose to take the paths God has SET for me, walking in them, living the good life which He prearranged and made ready for me! I will experience absolute joy in His presence; God will give me sheer delight, as he lavishes his love upon me!

In 2019, God's will for my life will take center stage! I will not lag nor sag in the spirit. The works of my hands are diligent, and I shall bear rule; operating in God's authority; putting my hands to the plow and not looking back to things left behind! God has chosen me to do great exploits for His glory! I will apprehend all that God has for me in the new year! The fruit of my labor shall remain! It is my year of manifestation!

In 2019, I am accomplished and prospering in every way! Having faith in God through Jesus Christ makes me a child of God, His heir, and a fellow heir with Christ. Therefore, Abraham's blessings are mine! I am blessed in my relationship with God; my family is blessed; my health is blessed; my ministry is blessed, my business is blessed; my finances are blessed, and I am blessed to be a blessing! All things pertaining to my life and Godliness are blessed! My God favors me!

In 2019, no weapon formed against me shall prosper! By the power of the Holy Ghost, and through the shed Blood of Jesus Christ, God destroys all evil from before me! Blockages and hindrances are no more! Angels protect and fight for me! Closed doors are now opened! Strongholds have been broken! Yokes destroyed and burdens removed! Through every fiery trial God is with me to deliver! Just as God shut the mouths of the lions against Daniel; so, does the Lord shut the mouths of my enemies, those who try to destroy me!

Thank you FATHER that in 2019, your DIVINE POWER gives me ABSOLUTELY EVERYTHING necessary for a dynamic spiritual life and godliness, through my personal knowledge of YOU! For YOU have blessed me in the heavenly realms with every spiritual blessing in Christ. In Jesus Christ Name! Amen!

**Happy New Year!**
