Kingman Branch

To whom it may concern:

MSTEPP is a local nonprofit, substance use prevention coalition headquartered in Kingman, AZ. We dedicate our time in prevention and awareness efforts to Kingman youth and families. MSTEPP participates in many community events each year throughout Mohave County.

Our first Hobbies not Habits event in Kingman last July was a great success! MSTEPP is excited to continue the partnership with the Boys & Girls Club to make this an annual event! Hobbies not Habits will be held at the Kingman Boys & Girls Club (2160 Airway Ave.) on June 13, 2026 from 10 a.m. to 1 p.m. This event will be free to the community and provide resources, support, and healthy alternatives to substance use. Due to the success of our first year, the Boys & Girls Club has agreed to open the much larger, open space to accommodate more activities!

Planning is underway to make our second event even better! We are looking for sponsors to make Hobbies not Habits Kingman successful. All donated funds will go directly toward needed supplies, materials, food, and other resources for the event. With the support of local sponsors, we can keep these events completely free for our youth and community. We sincerely appreciate the support of local citizens and organizations who donate to our cause.

If you are interested in donating monetarily or other items, please contact Tiffiny Reed at treed@mstepp.org.

All sponsors will be recognized on event flyers, our social media page, website, and other advertisement methods to help promote this event and our sponsors. Sponsors may also provide banners or signs to be displayed at the event.
