

# **MPS Biodiversity Conservation Plan 2019**

**Biolinks objective 6.2 (page 46):**

**Provide ongoing support to the community in planning and developing biolinks on the Mornington Peninsula:**

- a) Develop a decision tool for the prioritisation of biolinks that integrates natural landscape links and considers the social, environmental and economic values of different options, to assist with biolink planning;**
- b) Provide advice, technical and on-ground support to the Mornington Peninsula Landcare Network for the delivery of their biolinks plan;**
- c) Provide overall co-ordination of biolink planning across the Peninsula.**
