

A bit of history

- **1960's: MP Freeway from Frankston to Jetty Road and possible future extension to Canterbury Jetty Road are first proposed.**
- **Thereafter some land on the planned extension is purchased by VicRoads and PAOs are established over the rest (owned privately or by MPS).**
- **2013: Point Nepean Road Study published by VicRoads.**
- **2017: MPS Council resolves to abandon the freeway extension and seek to remove all PAOs over the freeway easement land.**
- **2018: MPS undertakes Southern Peninsula Arterial Corridor Investigation.**
- **2018: MPS adopts Tootgarook Wetland Management Plan.**
- **2019 MPS adopts Biodiversity Conservation Plan.**
- **2022: MPS adopts ESO31 to protect Tootgarook Wetland.**
- **2025: MPS releases Draft Open Space Strategy (for comment on MPS website now) and abandons its 2020 climate emergency declaration and all related climate action plans.**
