Think of a word that best describes your graphic design brand 2. Enter into the name generator field 3. Click "Generate names" button All done! You now have over 100 possibilities to select from or use as inspiration. When it comes to graphic design company names, it's all about authenticity. What's your creative flair? Do you have any special skills or serve a unique client group? Consider who your ideal clients will be.

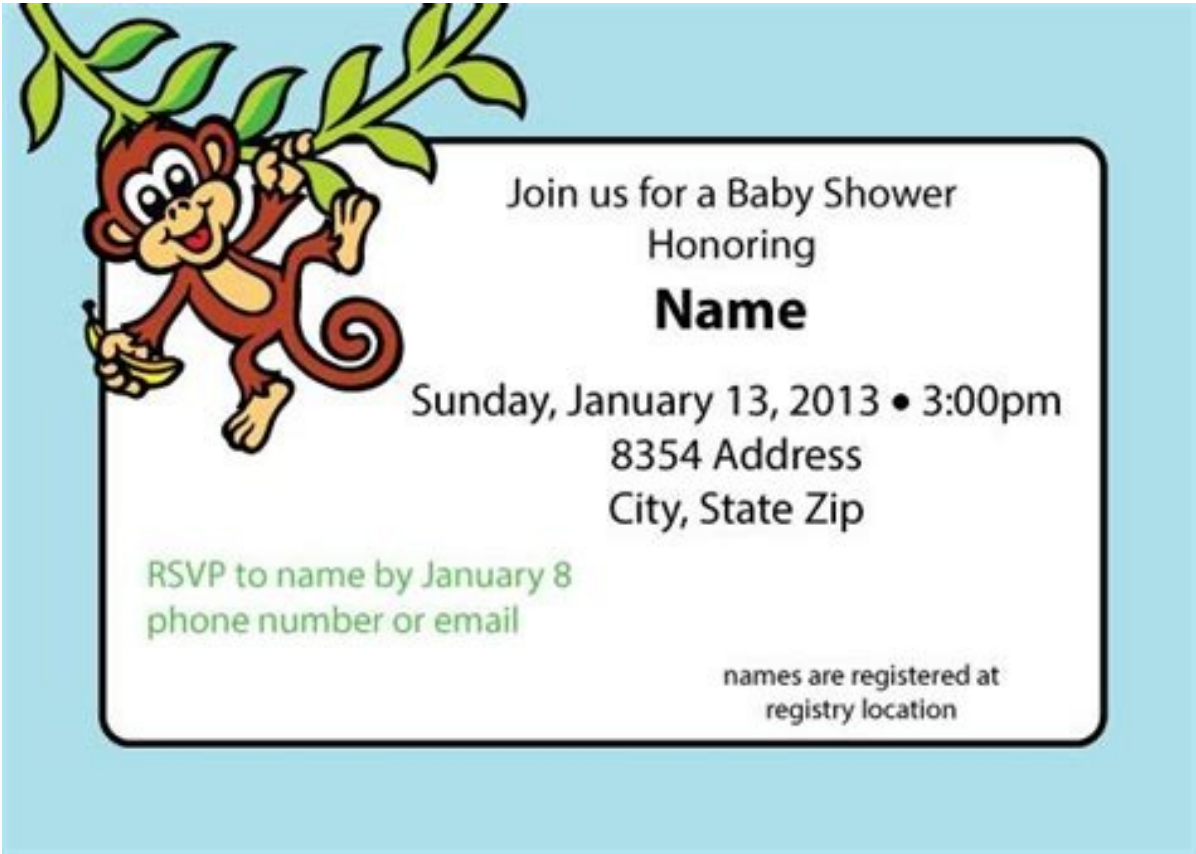

In general, successful graphic design business names are: Universal: this means the brand name makes sense across different languages Easy to pronounce: you want your graphic design name to be easy to find and remember Non-specific: if you have a vision of expanding your graphic design company, you may want to ensure your name isn't too specific so you can include other products or services These days, business names are as diverse as the products and services themselves. Shopify's free name generator is here to help inspire a creative and unique name for your business. Catchy graphic design company names are original, fresh, and memorable. As you brainstorm a name, consider employing these methods to inject a little fun into it: Alliterate (e.g. Blue Bird Graphics) Use acronyms (e.g. JSCD - Janice Smith Graphic Design) Rhyme (e.g. Line & Design Graphics) Abbreviate (e.g. Smart Graphics Co.) You can search words in Shopify's free business name generator tool, but here are some examples of creative words to include in a graphic design name: Hexagon (Hexagon Creative) Fox (Fox Tail Designs) Studio (Studio 88 Graphics) Lux (CreateLux Designs) Byte (Colour Byte) Parchment (Parchment Design Co.) The graphic design name generator tool from Shopify is free for everyone to use. Run as many searches as you need! Some graphic design firms are named after their founders, but remember, the best business names are authentic. That means knowing what type of experience you're offering your clients and coming up with a name that reflects that. Here are some influential graphic design companies for inspiration: Winkcreative SuperUnion Leo Burnett Wolff Olins Pentagram Studio Dumbar The names generated above are examples only and may be used by other businesses or subject to third-party rights. By using them, you agree to these Terms. Finding the right company name for your graphic design business is more difficult than it seems.
