2025 ISCA CONFERENCE DISPLAY TABLE:

(Optional signup on registration page.)

Want to share ideas and publicize an upcoming event(s) or a recurring event(s)?

It's time for all of us to inform each other and help support each other.

We have a perfect opportunity to do just that!

DSCA is offering your city a table to display information about your sister city or cities and showcase your city's achievements.

Plan an "unmanned" table so you can browse and network.

Share your printed material, website and other social media names/addresses.

Questions? Contact Laura Brown, DSCA/ISCA Conference Co-Chair laura.brown@iscatoday.org
