

Pink Ribbon Angels
Golf Fore Life
2018

Dear Community Member,

Our organization, Saddle Ridge Golf Course LLC, would like to extend an opportunity to you or your business to help support our annual "Pink Ribbon Angels Golf Fore Life" event. This year's fundraiser outing will be Saturday, June 23rd 2018. It will be the 5th year holding this event at our golf course located at 100A Saddle Ridge in Portage.

The Pink Ribbon Angels organization was formed with the founders having a common desire to make a difference in the fight against breast cancer in Columbia County. Major financial support from businesses, clubs, private individuals and this major fundraising event have helped in supporting this organizations mission. Pink Ribbon Angels has provided financial assistance to Columbia County residents with breast cancer to help cover uninsured out-of-pocket expenses incurred during cancer diagnosis and treatment. Some of the products and services covered include:

-  **Mammograms (both screening and diagnosis)**
-  **Insurance co-Pays**
-  **Prescription co-pays**
-  **Prosthetics and Wigs**
-  **Mileage stipend (to get to and from treatments)**
-  **Cost of Childcare while at treatments**

This golf outing is the Pink Ribbon Angel's largest fundraiser. With your help, last year we raised \$17,264 with 198 golfers participating. We know we can do better this year! **Our 2018 goal is to raise \$21,000.** It is imperative that we have 216 golfers pre-registered/paid no later than June 1st 2018.
