Comprehensive Conference Report

March 22 & 23, 2025

This Comprehensive Conference Report (CCR), consists of two parts:

Part One: Committee Awards

This section contains a list of all award recipients for the specified committee.

Please note the following:

- The President Award is associated with a 30% scholarship for education at LAU.
- The Diplomacy Award is associated with a 15% scholarship for education at LAU.
- The Position Paper Award is not associated with a scholarship.

All awards and their associated scholarship letters (if any), will be distributed in a dedicated Awards Ceremony to be held later in the year. Further details will be communicated to award recipients and advisors.

Part Two: Grades & Ranking Breakdown

This section contains a list of all registered delegates per committee (by country/representative) in alphabetical order. Every participant is matched to his/her rank and grade with regards to each of the 3 Distinguished Awards Criteria.

Please note the following:

- Committee grades are not necessarily a grade out of 100 (nor any other value). They are a percentage of a whole that is constant within a committee but varies between different committees.
- The published rankings and grades are a direct reflection of the grading system with respect to performance only.
 - Eligibility requirements are not factored in. Hence, ranking within the top of the committee does not guarantee any awards if the basic eligibility criteria are not met:
 - Training Session & Mock Simulation Attendance (3/3)
 - Final Conference Attendance (2/2)
 - Mandatory Position Paper Submission
- If a delegate has submitted a position paper and his/her position paper grade reads 0.00, then the paper may have been disqualified due to:
 - Plagiarism being greater than 15%.
 - Document length being longer than 1 page (content).
 - Delegate's name or school name found on the document.
 - Only 1 out of 2 required papers is submitted.
