Copper Creek Bloodhounds, Greg Berry & Darby Berry, have agreed to sell an AKC Registered Bloodhound Puppy to the buyer under the terms in this agreement and described as follows.

Part of the purchase price will be paid immediately with this agreement as a deposit to guarantee the seller will hold the puppy for the delivery/pick up date for the buyer. Date will be determined once puppies are born. If the buyer is not able to pick up the puppy on the available pick up date, we will gladly continue caring for the puppy for 3 days. However, we will add a charge of \$10.00 per day for boarding. If the puppy is not picked up by the end of the third day and no arrangements have been made and agreed upon, then the buyer forfeits their deposit and/or any amount paid.

The purchase price does not include delivery charges, which will be calculated separately, if meeting part way or delivering. We no longer fly or use pet shippers.

A deposit in the amount of \$300.00 is required to reserve a puppy from Copper Creek Bloodhounds.

There are no refunds on deposits. The deposit signifies the intent on the part of the buyer to follow through with the purchase of the puppy. The seller reserves the right to void the transaction and refund the deposit if we learn of any reason why the buyer might not be suitable for the puppy.

Copper Creek Bloodhounds guarantees your puppy to be free from infectious diseases at the time the puppy leaves our premises. We do not guarantee temperament after leaving our care. We breed only from dogs that have demonstrated great stability. We provide a secure and loving environment and proper socialization for our puppies from birth. After delivery/pick up the responsibility is on the buyer to provide a good environment with proper socialization. It is the buyers responsibility to keep the puppy free from harm and negative interaction with other people, dogs and animals. Any negative exposure of the puppy to a bad experience with other people, dogs or animals can cause lasting negative effects. The buyer agrees to provide a safe environment for the puppy, keep the puppy healthy, maintain and stay current with all puppy/dog vaccinations and provide periodic vet checks, including an initial examination within the first 72 hours of receiving the puppy from Copper Creek Bloodhounds. If the buyer's veterinarian finds the puppy to be in poor health, the veterinarians' written description of the problem/problems must be provided to the seller within 24 hours of the finding and dated within 3 days of the date the buyer received their puppy. In such case, if need be, the buyer may be refunded the price of the puppy or given a replacement puppy, if one is available, once the puppy is returned to Copper Creek Bloodhounds at the buyer's expense. Transportation costs, if any, will not be refunded and are not included in this guarantee. Expenses of treatment, exams, tests, etc. are the financial responsibility of the buyer. This provision is because there actually are bad vets out there and mistakes are made. Failure to have the puppy examined by a veterinarian within 3 days of receiving the puppy will void this health guarantee.

Should the buyer find themselves unexpectedly in a circumstance where they are unable to properly care for the puppy, the buyer agrees to contact Copper Creek Bloodhounds so we can either take the puppy back and/or find a new home for it. Buyer agrees that the puppy will NOT under any circumstances be placed in a dog pound, rescue center, pet store or etc. This provision is to ensure that the puppy will NOT end up homeless or destroyed.

To ensure that the buyer can immediately reserve a puppy, the buyer agrees that this agreement is in full force by making a deposit.

All disputes, if need be, are subject to resolution in the seller domicile: McIntosh County, Oklahoma.

Acceptable deposit payment methods are - Paypal, Venmo, Cash App, Cash.
