A Quilter treasures life's moments
One stitch at a time.
She knows the joy of patiently creating
a work of art that can only grow
more precious with the gift of years.
She tells a beautiful story
with patterns and colors, and
the patchwork of her life is
woven with threads
of laughter and tears, memories and dreams.
A Quilter understands the value
of preserving the past
and has a heart gentle enough to stitch
the gift of love into our lives for the future.
A Quilter knows the blessing
of treasuring life's moments one stitch at a time.

A wall hanging Lana Potter received as a gift in 1996 made by a member of the Westfield Quilt Guild in Chautauqua County NY. After all these years it is still a cherished piece made by a former guild member whose quilts regularly won awards in the NYS fair.
